Toxic is Oxford dictionary 2018 word of the year

Primarily a word used in the UK, cakeism is the belief that it is possible to enjoy or take advantage of both of two desirable but mutually exclusive alternatives at once. A new, highly politicized layer has been added to the British ' s well-known love of cake, as over the past two years ' cake ' has become the enduring metaphor for discussion of the terms under which Great Britain will ...

Make the words useful to everyday use. I don't want to know something from a million years ago. Relate it to daily activities, the day of the week, the weather, holidays or things that we could use it with. I try to use the "word of the day" in my day, but rarely find a situation where I can relate it.

Order your copy of "Finnish Word of the Day" now and accelerate your Finnish vocabulary!

An entertaining and illuminating collection of weird, wonderful, and downright baffling words from the origins of English—and what they reveal about the lives of the earliest English speakers Old English is the language you think you know until you actually hear or see it. Unlike Shakespearean English or even Chaucer ' s Middle English, Old English—the language of Beowulf—defies comprehension by untrained modern readers. Used throughout much of Britain more than a thousand years ago, it is rich with words that haven ' t changed (like word), others that are unrecognizable (such as neorxnawang, or paradise), and some that are mystifying even in translation (gafol-fisc, or tax-fish). In this delightful book, Hana Videen gathers a glorious trove of these gems and uses them to illuminate the lives of the earliest English speakers. We discover a world where choking on a bit of bread might prove your guilt, where fiend-ship was as likely as friendship, and where you might grow up to be a laughter-smith. The Wordhord takes readers on a journey through Old English words and customs related to practical daily activities (eating, drinking, learning, working); relationships and entertainment; health and the body, mind, and soul; the natural world (animals, plants, and weather); locations and travel (the source of some of the most evocative words in Old English); mortality, religion, and fate; and the imagination and storytelling. Each chapter ends with its own " wordhord " —a list of its Old English terms, with definitions and pronunciations. Entertaining and enlightening, The Wordhord reveals the magical roots of the language you ' re reading right now: you ' ll never look at—or speak—English in the same way again.

The referendum to overturn Ireland's near-total abortion ban in 2018 stands as one of the most remarkable political events of recent times. The campaign to repeal the 8th amendment succeeded not only in challenging centuries of religious and patriarchal dogma, but in signalling a major transformation in Irish society itself. After Repeal explores both the campaign and the implications of the referendum result for politics, identity and culture today. Bringing together a range of international perspectives, this collection transcends geographical and disciplinary boundaries while exploring themes including activism, artwork, social movements, law, media, democratic institutions, and reproductive technologies. This work looks beyond the Irish context and to the future, offering unique insight into the wider struggle for reproductive justice around the world.

Bread for the Day is a daily-use devotional resource filled with rich treasures: -A brief scripture reading (NRSV texts) for each day following the daily lectionary developed by the Consultation on Common Texts and presented in Evangelical Lutheran Worship -Dated for January 1, 2018, through December 31, 2018 -A prayer and hymn for each day -Brief yet helpful introductions to the seasons -Table graces/meal prayers for the holidays and seasons -Household blessings for special times throughout the year, including Anniversary of a Baptism, Blessing for the New Year, Blessing for a Home at Epiphany, Blessing of the Household for Thanksgiving Day, Remembering Those Who Have Died, Lighting the Advent Wreath, -Blessing of the Christmas Tree -Monthly pages for recording prayer requests -Notes on festivals and commemorations -Simplified forms for morning and evening prayer -Waking prayers and bedtime prayers, including prayers with children Use Bread for the Day for personal, household, or group devotions. This is the perfect resource for individuals, congregations, households, Bible study groups, prayer groups, pastors, church councils, outreach teams, confirmation students, and teachers.

"A critically acclaimed guide to English usage. Includes more than 2,300 entries presenting the history, analysis, and recommendations regarding noted usage controversies. Entries are illustrated with more than 20,000 quotations from prominent writers."\\

The idea of "The Green Book" is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race.

This book is intended to be a users' manual, not a reference book, and so has charts, diagrams, tables and cross-references to enable the interested practitioner to incorporate the Western Herbal Tradition into their practice. It synthesises and elaborates on all the extant information on the Western Healing Tradition as recorded by William Lilly and Nicholas Culpeper in the 17Cth and from the author's own herbal practice. It shows how using planetary energies and the wheel of the year deepens our understanding of the action of medicinal plants on the body and establishes the practitioner within their environment, allowing them to use planetary energies to determine the peak times to harvest and use herbal remedies and to locate health and sickness within the holistic paradigm of Western Traditional Herbal Medicine.For ease of use, the book is divided into two sections. The first details the philosophical framework within which traditional western herbalists can operate; looking at the four humours, and seven planets and the use of the diagnostic tool of the decumbiture chart. The work is so organised that the humoral system can be used without astrology, should that be the preference. The second part covers the practical application of the philosophy, how to collect, make and administer herbal remedies according to the planetary days and hours and the decumbiture chart. Examples of decumbiture charts will be included to show how the philosophy is used in practice. Lastly, a materia medica of common herbs is included. This fascinating new title by the best-selling Elisabeth Brooke will be of interest to anyone involved in the theory or practice of herbal medicine, particularly those who have been inspired by her other classic works including A Woman's Book of Herbs and Herbal Therapy for Women.

The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.
