If a rule says it affects units/models that are 'wholly within' then it only applies if the entire unit/model is within. If it just says 'within', however, then it applies so long as any part of the unit/model is within. For example, units gain the benefit of cover if every model in the unit is either on or within terrain. So long as all the models in that unit are either on or ...

The new Core Rule Book is a great update to the game and will be a welcome addition to any fan of 40k's library. This might be one of the clearest and easiest editions of 40k ever produced - at least Core Rules wise. It's also the first edition in a very long time where it feels like GW is finally stepping out from behind the 40,000 year timeline and pushing beyond that (not-so ...

The 9th Edition rulebook substantially expands the space given over to rules compared to 8th, and is much more practical about what's required to play a game of 40K. Rather than having a core rules section and then banishing terrain, army building and core missions structure to separate parts of the book, there's now a massive 80-page section just called "the rules" that contains all ...
