Numerical values are applied to grades as follows: A = 4; B = 3; C = 2; D = 1; F = 0; This allows grades to be easily averaged. Additionally, many schools add .33 for a + grade and subtract .33 for a - grade. Thus, a B+

Where To Download A B C D Numerical Ysis Of Uni

yields a 3.33 whereas an A \square yields a 3.67.

Academic grading in the United States
