A bestseller! Priscilla Shirer has her hands on the pulse of women today. Women are becoming increasingly weary and discouraged and are thus losing sight of their real value as daughters of the King. A Jewel in His Crown examines how a woman's view of her worth deeply affects her relationships. Her practical wisdom has helped thousands of women renew their strength and become women of excellence.

A bestseller! Priscilla Shirer has her hands on the pulse of women today. Women are becoming increasingly weary and discouraged and are thus losing sight of their real value as daughters of the King. A Jewel in His Crown examines how a woman's view of her worth deeply affects her relationships. Her practical wisdom has helped thousands of women renew their strength and become women of excellence.

This journal is the perfect companion product to A Jewel in His Crown, helping women apply what they've learned about becoming women of excellence. The journal focuses heavily on leading women to Scripture for reflection and meditation. The content in each chapter of the journal corresponds with the contents of the book.

?A story by USA Today bestselling author becomes a comic! Ruby works as a receptionist in the English countryside. One day a prince named Raja from the Middle Eastern country of Najar appears in front of her, seeking a political marriage. Her mother is the former wife of the King of Ashur, a neighboring country. In order to fulfill the conditions of a newly established peace treaty, Raja has come to retrieve Ruby, the sole heir of Ashur. But she flatly denies his offer, not wanting to become like her mother, who suffered through so much. Sure this would incur Raja's wrath, she is surprised that responds with a devilish, enigmatic smile...

File Type PDF A Jewel In His Crown Rediscovering Your Value As Woman Of

In August of 1942, a young Englishwoman is raped in an Indian garden, and her fate and that of an elderly English school teacher entwine.

Stolen sports cars, brilliant casino heists, and the brazen kidnapping of a prince: only shadowy spy for hire Simon Riske can stop the mastermind behind it all. Monte Carlo's lavish casinos have become the target of a sophisticated and brutal team of professional gamblers; a casino dealer has been beaten to death; a German heiress's son has been kidnapped. Who better to connect the crimes and foil a daringly brilliant plot than Simon Riske, freelance industrial spy? Riske -- part Bond, part Reacher -- knows Monte Carlo well: it's where he was once a thrill-seeking thief himself, robbing armored trucks and leading police on dangerous car chases across the Côte d'Azur, until he was double-crossed, served his time, and graduated as an investment genius from the Sorbonne. Now Riske is a man who solves problems, the bigger and "riskier" the better. From the baccarat tables of Europe's finest casinos to the superyachts moored in Monaco's Port Hercule to a secluded chalet deep in the Swiss Alps, Riske will do what he does best: get in over his head, throw himself into danger, and find a way to outthink and outmaneuver villains of every stripe. In one of the most clever, enjoyable, and entertaining series to come along in years, this sequel to *The Take* gives readers what they want most: a hero we can root for, locales we wish we were in, and a plot that never lets up.

When he inherits the estate of his estranged brother, Ricky Lam decides to develop the resort his brother had planned to build on an island off the coast of South Carolina, where Ricky finds new love with his former sister-in-law.

For centuries, the Koh-i-Noor diamond has set man against man and king against king. Now part of the British Crown Jewels, the

File Type PDF A Jewel In His Crown Rediscovering Your Value As Woman Of

priceless gem is a prize that many have killed to possess. So when the Crown Jewels go on display in Mumbai, security is everyone's principal concern. And yet, on the very day Inspector Chopra visits the exhibition, the diamond is stolen from under his nose. The heist was daring and seemingly impossible. The hunt is on for the culprits. But it soon becomes clear that only one man -- and his elephant -- can possibly crack this case. . . Featuring the most charming crime-solving duo ever to grace the pages of a book, the Baby Ganesh Detective Agency series is a must-read for fans of Alexander McCall Smith.

“The most successful novelist on Planet Earth” (Washington Post), #1 New York Times bestselling author Nora Roberts concludes her Cordina’s Royal Family quartet with the story of a noble and commoner discovering that despite their societal roles, their love has no forbidden boundaries in Cordina’s Crown Jewel. Princess Camilla de Cordina’s life is governed by others. Her appearance is sculpted and behavior is modified so she can be paraded before a gaping media audience only interested in gossip and scandal. Taking a well-deserved “vacation”, she trades her crown for a felt hat and her de Cordina title for the name Camilla MacGee. With no regal entourage in tow, she takes a job in America working for archeologist Delaney Caine in Vermont. Focused and driven with his own goals, Del doesn’t treat his staff with pleasantries, much less offer deference to a currently uncrowned princess. Nonetheless, Camilla finds her newfound persona and detailed work rewarding. And when she uncovers a loving heart beneath Del’s hardened exterior, an unexpected mutual desire arises between them—a desire that could very well be extinguished should Camilla reveal her true identity.

An in-depth look at what truly happened when the Great Britain gave India its independence, from the author of *Five Days from Defeat*. When India became independent in 1947, the general view,

File Type PDF A Jewel In His Crown Rediscovering Your Value As Woman Of

which has prevailed until now, is that Britain had been steadily working for an amicable transfer of power for decades. In this book, Walter Reid argues that nothing could be further from the truth. With reference to a vast amount of documentary material, from private letters to public records and state papers, Reid shows how Britain held back political progress in India for as long as possible—a policy which led to unimaginable chaos and suffering when independence was granted, and which created a legacy of hatred and distrust that continues to this day. Praise for *Keeping the Jewel in the Crown* “A fascinating, robust and provocative version of the sunset of the Raj.” —Lawrence James, author of *Raj: The Making and Unmaking of British India* “A thorough and hard-hitting account . . . presented with clarity and sobriety.” —BBC History Magazine (UK) “An excellent and original work . . . A meticulously researched, pioneering study that will appeal to many in both countries.” —The Open (India) “It is a rare book that will alter the way you look at one of history’s pivotal events and one of its greatest tragedies, but this is one of them.” —Matt Rubin, Washington Times
