This role playing game is the main book for the Aberrant system. Featuring rules both streamlined and better organized than the old world of darkness books but open to interpretation and advancement, this game allows for all manner of possibilities without over-complicating them in unnecessary rules.

In Werewolf: The Apocalypse, you play as the Garou, a creature of flesh and spirit, blessed and cursed with primal rage. Born to fight and die in a desperate war to protect Gaia--the very living earth-- you engage in an unequal battle against the greed and power-hunger of human civilization that has trapped the world in a choking web of technology and corruption.
