The Book of Acts, sometimes called the fifth Gospel, is a continuation of the Gospel of Luke. Dr. Luke is the writer, as he states in his introduction (v. 1). Sir William Ramsay, after making a critical study of Luke's writings, declared that Luke was the greatest historian, ancient or modern. The Book of Acts is remarkable in many ways.

by David E. Pratte - Bible Study Lessons

More than any other book in the New Testament, the book of Acts provides us with a clear picture of how the early church made disciples in obedience to the command of Christ and multiplied churches in order to advance the kingdom of Christ. This series challenges individuals and churches to put aside traditions, comforts, preferences, and programs in order to follow the example of the early ...

spiritual themes to it. Get a copy today.

Acts is the sequel to Luke's gospel and tells the story of Jesus's followers during the 30 years after his death. It describes how the 12 apostles, formerly Jesus's disciples, spread the message of Christianity throughout the Mediterranean against a background of persecution. With an introduction by P.D. James

What does it mean to believe Jesus? Not just believe in Jesus, but actually believe what He said—and shape our lives around that truth? How would that affect the choices we make? The way we see the world? The way we conduct ourselves with other Christians? In this eight-session video Bible study (DVD/digital video sold separately), Lisa Harper answers these questions by looking at the lives of the believers in Acts and how Jesus' command to spread the gospel forever shaped their lives. You will hear how Peter turned tables on his Benedict-Arnold behavior and became a church-building saint when the power of the Holy Spirit came over him. How the first believers were so gifted at giving they made Santa look bush league. How it cost Stephen and other early believers their very lives to follow Christ. And how Paul's case proves God's grace can change the worst of sinners, making us willing to have our lives interrupted by God and boldly share the gospel to the world. Today, we are faced with the same decisions the early church faced. Will we, like them, truly believe the words of Jesus and allow them to transform every part of our lives? Sessions include: The Declarations that Define Us Earth, Wind, and Celestial Fire Checkered Past Can Make Incredible Preachers What's Mine Is Yours Loving More People, More The Need to Be ReGospelled Turning Your World Upside Down Bearing the Chain Because Designed for use with the Believing Jesus

The Crucible is a 1953 play by American playwright Arthur Miller. It is a dramatized and partially fictionalized story of the Salem witch trials that took place in the Massachusetts Bay

## Read PDF Acts 2 Study Guide

Colony during 1692/93. Miller wrote the play as an allegory for McCarthyism, when the United States government ostracized people for being communists. The play was first performed at the Martin Beck Theatre on Broadway on January 22, 1953, starring E. G. Marshall, Beatrice Straight and Madeleine Sherwood. Miller felt that this production was too stylized and cold and the reviews for it were largely hostile (although The New York Times noted "a powerful play [in a driving performance]"). Nonetheless, the production won the 1953 Tony Award for Best Play - In Salem Massachusetts, a group of girls are caught by the puritan Minister Reverend Parris dancing naked in the forest. The Reverend's daughter collapses immediately on sighting her father knowing well the consequences of their sin and the severe punishment that may be met on them. They however allege that they have been bewitched by the witches. - Due to their claims, a special court is set up to investigate this alleged claim by the girls prompting judges to come all the way from Boston to assist the residence of Salem - As court proceedings are going on, the supposedly afflicted girls indict individuals in the town of witchcraft, over and over again choosing victims who they or their families loathe. The special courts discovers over a hundred of Salem citizens are witches...The court's attempt to preserve Puritan morality by arresting and putting to death accused witches ironically leads to the removal of the most righteous people in the society.

The book of Acts tells the story of what happened after the death and resurrection of Jesus. The book is filled with adventure and entertainment as Acts narrates God's activity among his people and the world. In this book I explore one way of reading Acts that attends closely to the plotline of the book and seek to invite readers into the story that Acts tells.

# Read PDF Acts 2 Study Guide

Along the way, I examine some of the most important themes of Acts, including divine activity, the extension of the gospel to surprising people in surprising ways, conflict and congruence between the gospel and the broader world, and the ongoing importance of Israel as God's people. While there are many excellent reasons to read Acts, I reflect too upon the theological and ethical vision of Acts for those who read this book as Christian Scripture.

This workbook was designed for Bible class study, family study, or personal study. The class book is suitable for teens and up. The questions contain minimal human commentary, but instead urge students to study to understand Scripture. Enough questions are included for teachers to assign as many questions as they want for each study session. Studies may proceed at whatever speed and depth will best accomplish the needs of the students.
