REVIEWED BY Chris Mautner Apr 24, 2013. This is the first entry in TwoMorrows's extremely ambitious attempt to provide a comprehensive history of the American comic book industry in America. Running from the 1940s to today, the series proposes to detail all the “pivotal moments” that occurred both behind the scenes and within the comics themselves, with different authors tackling ...

This is the 5th in the series that I've read -- previous include American Comic Book Chronicles the 1950s, 1960s (2) & 1970s -- & I found it very informative & an easy read. Looks like the author ran into a time crunch since several of the later chapters were written by others, but overall the prose is clear & concise, if not particularly flashy.
