Subject Covered: The human figure is a three dimensional structure of solid blocks havingweight and to draw it convincingly you must learn how to create an illusion of solid form on a two dimensional sheet of paper. The topics in this book are arranged conveniently in step by step sequential chapters, which will show you how to capture the spirit and evolution of the figure. This will streamline your thoughts and result in capturing the essence of the figure in the shortest time. The approach of this book is based on teachings of the great masters of this subject which resulted in figuredrawings of unforgettable strength and beauty. This book explains all the necessary guidelines towards the proper study of the human figure. Whether you want to learn figure drawing as a hobby or make a career out of it, the simple instructions in this book will help you in achieving that goal. Remember the key to successful drawing of the human figure is to practise one concept at a time.

'I was trapped. I'd been raped so many times, abused by hundreds, if not thousands. They could have left every door open and it would have made no difference. And I always came back -they always brought me back.' From the age of 14, Caitlin was controlled, raped, sold and passed on to new gangs across the UK over and over again. Her abusers were blatant in their attacks upon her, often collecting her from school or home, to be taken to flats they owned, family homes, or hotels booked for the day, to be horrifically and systematically abused. Having finally escaped, Please, Let Me Go is Caitlin's shocking story of abuse and survival.

This Brief eBook contains Alphabets A to Z with pictures. Best for your young ones who have just started learning the basic letters of English. They will enjoy learning the letters along with adorable cute pictures.
