Animation: The Whole Story by Howard Beckerman is a history of animation and a how-to book explaining character design, story writing for animation and getting everything on to film and video.

Animation, the Whole Story by Howard Beckerman: Howard Beckerman, an independent New York animator, and teacher of animation for over thirty years, has essentially put his college course material into book form with his thorough, thoughtful and accessible book Animation, The Whole Story. Like Williams' book, Animation, The Whole Story is more of an instructional book than a coffee table volume for fans. Beckerman's intention was to convey in written
