The Pearson Science Second Edition Teacher Companion make lesson preparation and implementation easy by combining full Student Book pages with a wealth of teacher support, to help you meet the demands of the Australian Curriculum: Science as well as the 2017 Victorian Curriculum.

The Pearson Science Second Edition Activity Book is a write-in resource designed to develop and consolidate students' knowledge and understanding of science by providing a variety of activities and questions to apply skills, reinforce learning outcomes and extend thinking. Updated with explicit differentiation and improved learner accessibility, it provides a wide variety of activities to reinforce, extend and enrich learning initiated through the student book.

The new Pearson Chemistry program combines our proven content with cutting-edge digital support to help students connect chemistry to their daily lives. With a fresh approach to problem-solving, a variety of hands-on learning opportunities, and more math support than ever before, Pearson Chemistry will ensure success in your chemistry classroom. Our program provides features and resources unique to Pearson--including the Understanding by Design Framework and powerful online resources to engage and motivate your students, while offering support for all types of learners in your classroom.

The Pearson Science New South Wales 9 Student Book has been developed from the ground up with scientific literacy and accessibility at its core. Pearson Science New South Wales not only saves you time but is the only series that really engages your students. The engaging design, literacy focus, unambiguous features and clear, easy-to-understand language make the student book an invaluable resource for all learning types and abilities. From the publishers of the market leading Science Focus, Pearson Science New South Wales is written to exactly match the final NSW Syllabus for the Australian Curriculum. It will not only save you time in implementing the NSW Syllabus for the Australian Curriculum, but is the only series that really engages your students. The Pearson Science series includes content and activities presented within the context of the three NSW Syllabus strands: Knowledge and Understanding, Working Scientifically and Learning Across the Curriculum. Content identified as 'Additional' in the NSW syllabus has been clearly differentiated from core content and is carefully placed in the flow of content. Extensive research and the development of a clear and fully accessible approach to content forms how the book is written.

The Science Focus Second Edition is the complete science package for the teaching of the New South Wales Stage 4 and 5 Science Syllabus. The Science Focus Second Edition package retains the identified strengths of the highly successful First Edition and includes a number of new and exciting features, improvements and components. The innovative Teacher Edition with CD allows a teacher to approach the teaching and learning of Science with confidence as it includes pages from the student book with wrap around teacher notes including answers, hints, strategies and teaching and assessment advice.
