A wonderfully surprising, inventive and deeply moving riff on fact and fiction, history and imagination from one of New Zealand's finest and most memorable storytellers. There has never been a New Zealand novel quite like The Parihaka Woman. Richly imaginative and original, weaving together fact and fiction, it sets the remarkable story of Erenora against the historical background of the turbulent and compelling events that occurred in Parihaka during the 1870s and 1880s. Parihaka is the place Erenora calls home, a peaceful Taranaki settlement overcome by war and land confiscation. As her world is threatened, Erenora must find within herself the strength, courage and ingenuity to protect those whom she loves. And, like a Shakespearean heroine, she must change herself before she can take up her greatest challenge and save her exiled husband, Horitana.

Fifteen-year-old Annie needs to get to her basketball match, but the police have cordoned off her road. Is her neighbour, who she grew up with, still alive? What has he done to have the police after him? A murder investigation brings new people to her wild West Coast town, including a dark-haired boy riding the most amazing horse she has ever seen. But Annie is wary of strangers, especially as her world is beginning to crumble around her. In setting out to discover the truth, Annie uncovers secrets that could rip the small community apart.

Includes Part 1A: Books, Part 1B: Pamphlets, Serials and Contributions to Periodicals and Part 2: Periodicals. (Part 2: Periodicals incorporates Part 2, Volume 41, 1946, New Series)

In October 1928 Virginia Woolf was asked to deliver speeches at Newnham and Girton Colleges on the subject of √Women and Fiction∥; she spoke about her conviction that √a woman must have money and a room of her own if she is to write fiction∥. The following year, the two speeches were published as A Room of One's Own, and became one of the foremost feminist texts. Knitted into a polished argument are several threads of great importance √ women and learning, writing and poverty √ which helped to establish much of feminist thought on the importance of education and money for women's independence. In the same breath, Woolf brushes aside critics and sends out a call for solidarity and independence √ a call which sent ripples well into the next century. √ Brilliant interweaving of personal experience, imaginative musing and political clarity' √ Kate Mosse, The Guardian √ Probably the most influential piece of non-fictional writing by a woman in this century.' √ Hermione Lee, The Financial Times
