Barbed wire has been reported as a tool for human torture. It is also frequently used as a weapon in hardcore professional wrestling matches, often as a covering for another type of weapon—Mick Foley was infamous for using a baseball bat wrapped in barbed wire—and infrequently as a covering of or substitute for the ring ropes.

Barbed Wire Baseball, written by Marissa Moss and illustrated by Yuko Shimizu, is nominated for the 2014-15 South Carolina Children's Book Award. Barbed Wire Baseball is a welcome addition public, school, and classroom libraries, and it highlights a shameful, often overlooked period in American history--the internment of Japanese Americans during World War II. "Zeni" Zenimura loved baseball.

Book Review: Barbed Wire Baseball by Marissa Moss | Mboten

Well-known for her magazine and newspaper work as well as for comic book cover art, Barbed Wire Baseball was her first children's book. The story is based on the real life story of Zenimura, who really did build a baseball field in Gila River.

A true story set in a Japanese-American internment camp in World War II. As a young boy, Kenichi Zenimura (Zeni) wanted to be a baseball player, even though everyone told him he was too small. He grew up to become a successful athlete, playing with Babe Ruth and Lou Gehrig. But when the Japanese attacked Pearl Harbor in 1941, Zeni and his family were sent to one of several internment camps established in the U.S. for people of Japanese ancestry. Zeni brought the game of baseball to the camp, along with a sense of hope, and became known as the "Father of Japanese-American Baseball."

Traces the childhood dream of Japanese-American baseball pioneer Kenichi Zenimura of playing professionally and his family's struggles in a World War II internment camp where he introduces baseball to raise hope.

Traces the childhood dream of Japanese-American baseball pioneer Kenichi Zenimura of playing professionally and his family's struggles in a World War II internment camp where he introduces baseball to raise hope.

"Author Ken Mochizuki reads his award-winning book. There is some soft background music, and a few gentle sound effects, but the power of the words need little embellishment...This treasure of a book is well-treated in this format." - School Library Journal

Yasutaro Soga's *Life behind Barbed Wire* (Tessaku seikatsu) is an exceptional firsthand account of the incarceration of a Hawai'i Japanese during World War II. On the evening of the attack on Pearl Harbor, Soga, the editor of a Japanese-language newspaper, was arrested along with several hundred other prominent Issei (Japanese immigrants) in Hawai'i. After being held for six months on Sand Island, Soga was transferred to an Army camp in Lordsburg, New Mexico, and later to a Justice Department camp in Santa Fe. He would spend just under four years in custody before returning to Hawai'i in the months following the end of the war. Most of what has been written about the detention of Japanese Americans focuses on the Nisei experience of mass internment on the West Coast—largely because of the language barrier immigrant writers faced. This translation, therefore, presents us with a rare Issei voice on internment, and Soga's opinions challenge many commonly held assumptions about Japanese Americans during the war regarding race relations, patriotism, and loyalty. Although centered on one man's experience, *Life behind Barbed Wire* benefits greatly from Soga's trained eye and instincts as a professional journalist, which allowed him to paint a larger picture of those extraordinary times and his place in them. The Introduction by Tetsuden Kashima of the University of Washington and Foreword by Dennis Ogawa of the University of Hawai'i provide context for Soga's recollections based on the most current scholarship on the Japanese American internment.

Nearly 130,000 American soldiers and 19,000 American civilians were captured by the enemy during the Second World War. The conditions under which they were held varied enormously but baseball, in various forms, was a common activity among these prisoners of war. Not just Americans, but Canadians, British, Australians and New Zealanders took the field, as well as the Japanese and even a few Germans. In the best of the German Stalags (permanent German camps where these prisoners were held, shortened from Stamm Lagers) there were often several leagues active at a time, with dozens of teams playing games continuously during the warm weather months. In the harsher Stalags, and in some Japanese camps, there was only makeshift ball playing. In places like Camp O'Donnell, the worst of the camps, there was no energy left for anything but the struggle to survive. This work is the story of POW baseball, complete with guard versus prisoner ball games, radio parts hidden in baseballs, and future major leaguers. The book is divided into the various prison camps and describes the types of prisoners held there and the degree to which baseball was played.

A moving primary source sheds light on the experience of Japanese American children imprisoned in a World War II internment camp. A classroom diary created by Japanese American children paints a vivid picture of daily life in a so-called "internment camp." Mae Yanagi was eight years old when she started school at Topaz Camp in Utah. She and her third-grade classmates began keeping an illustrated diary, full of details about schoolwork, sports, pets, holidays, and health--as experienced from behind barbed wire. Diary pages, archival photographs, and narrative nonfiction text convey the harsh changes experienced by the children, as well as their remarkable resilience.

Segregated Charleston, SC, 1955: There are 62 official Little League programs in South Carolina -- all but one of the leagues is composed entirely of white players. The Cannon Street YMCA All-Stars, an all-black team, is formed in the hopes of playing in the state's annual Little League Tournament. What should have been a time of enjoyment, however, turns sour when all of the other leagues refuse to play against them and even pull out of the program. As the only remaining Little League team in the state, Cannon Street was named state winner by default, giving the boys a legitimate spot in the Little League Baseball World Series held in Williamsport, Pennsylvania. While the Cannon Street team is invited to the game as guests, they are not allowed to participate since they have not officially "played" and won their state's tournament. *Let Them Play* takes its name from the chant shouted by the spectators who attended the World Series final. Author Margot Theis Raven recounts the inspiring tales of the Cannon Street All-Stars as they arrived in Williamsport, PA and never got the chance to play for the title thanks to the bigotry and ignorance of the South Carolina teams. Winning by forfeit, the Cannon Streeters were subsequently not allowed to participate in Williamsburg because they had not "played" their way into the tournament. *Let Them Play* is an important civil rights story in American history with an even more important message about equality and tolerance. It's a tale of humanity against the backdrop of America's favorite pastime that's sure to please fans of the sport and mankind. This summer will mark the 50th year since the fans' shouts of *Let Them Play* fell on deaf ears and 14 boys learned a cruel lesson in backwards politics and prejudice. This book can help teach us a new lesson and assure something like this never happens again.

Traces his mischievous childhood in Baltimore before his life-changing enrollment in Saint Mary's Industrial School for Boys, where a strict code of conduct and his introduction to baseball inspired his historic career.
