We begin, appropriately enough, with an all-Beethoven program, because last year would have featured an extended celebration of the 250th anniversary of the composer's birth. The concert, 8 p.m.

Ludwig van Beethoven (1770-1827) was a genius so universal that his popularity, extraordinary even during his lifetime, has never ceased to grow. It now encircles the globe: Beethoven's most famous works are as beloved in Beijing as they are in Boston. Edmund Morris, the author of three bestselling presidential biographies and a lifelong devotee of Beethoven, brings the great composer to life as a man of astonishing complexity and overpowering intelligence. A gigantic, compulsively creative personality unable to tolerate constraints, he was not so much a social rebel as an astute manipulator of the most powerful and privileged aristocrats in Germany and Austria, at a time when their world was threatened by the rise of Napoleon Bonaparte. But Beethoven's achievement rests in his immortal music. Struggling against progressive, incurable deafness (which he desperately tried to keep secret), he nonetheless produced towering masterpieces, such as his iconic Fifth and Ninth symphonies. With sensitivity and insight, Edmund Morris illuminates Beethoven's life, including his interactions with the women he privately lusted for but held at bay, and his work, whose grandeur and beauty were conceived "on the other side of silence."

This collection features 25 popular pieces, including the Sonata in C-sharp Minor, Op. 27, No. 2 ("Moonlight"); Sonata in D Minor, Op. 31, No. 2 ("Tempest"); 32 Variations in C Minor; more.

Provides a detailed overview of the life of Ludwig van Beethoven, from Enlightenment-era Bonn to the musical capital of Vienna, describing the composer's career, ill health, and romantic rejections.

**\*\*WINNER of Presto Books' Best Composer Biography\*\***
**NINE WORKS OF BEETHOVEN, NINE WINDOWS INTO THE LIFE AND LEGACY OF A MUSICAL GENIUS.**
'We are doubly blessed that Beethoven should have led such an extraordinary life. Laura has combined the two - the genius of his music and the richness of his experiences - to shine a revealing light on our greatest composer' John Humphrys
\_\_\_\_\_
Ludwig van Beethoven: to some, simply the greatest ever composer of Western classical music. Yet his life remains shrouded in myths. In Beethoven, Oxford professor Laura Tunbridge cuts through the noise. With each chapter focusing on a period of his life, piece of music and revealing theme - from family to friends, from heroism to liberty - she provides a rich insight into the man and the music. Revealing a wealth of never-before-seen material, this tour de force is a compelling, accessible portrayal of one of the world's most creative minds and it will transform how you listen for ever. \_\_\_\_\_
'Tunbridge has come up with the seemingly impossible: a new way of approaching Beethoven's life and music . . . profoundly original and hugely readable' John Suchet, author Beethoven: The Man Revealed
'This well researched and accessible book is a must read for all who seek to know more about the flesh and blood tangible Beethoven.' John Clubbe, author of Beethoven: The Relentless Revolutionary
'This book is really wonderful! ... However many books on Beethoven you own, find the space for one more. This one' Stephen Hough, pianist, composer, writer
'In a year when everyone's looking for a new take on Beethoven, Laura Tunbridge has found nine. Fresh and engaging' Norman Lebrecht, author of Genius and Anxiety
'Remarkable . . . she captures the essence of his genius and character. I'll always want to keep it in easy reach' Julia Boyd, author of Travellers in the third Reich

A critical study of the structure, style, and significance of the sixteen string quartets.

Intimate biography by Beethoven's pupil and secretary recalls composer's personality, contemporaries, deafness, irascible behavior, etc. Extensively annotated by Beethoven scholar Donald MacArdle. Revised 3rd edition. Editor's Notes. Introduction. Includes 7 illustrations.

Shortlisted for the 2020 Goldsmiths Prize
Based on the German composer's own correspondence, this inventive, counterfactual work of historical fiction imagines Beethoven traveling to America to write an oratorio based on the Book of Job. It is a matter of historical record that in 1823 the Handel and Haydn Society of Boston (active to this day) sought to commission Beethoven to write an oratorio. The premise of Paul Griffiths's ingenious novel is that Beethoven accepted the commission and traveled to the United States to oversee its first performance. Griffiths grants the composer a few extra years of life and, starting with his voyage across the Atlantic and entry into Boston Harbor, chronicles his adventures and misadventures in a new world in which, great man though he is, he finds himself a new man. Relying entirely on historically attested possibilities to develop the plot, Griffiths shows Beethoven learning a form of sign language, struggling to rein in the uncertain inspiration of Reverend Ballou (his designated librettist), and finding a kindred spirit in the widowed Mrs. Hill, all the while keeping his hosts guessing as to whether he will come through with his promised composition. (And just what, the reader also wonders, will this new piece by Beethoven turn out to be?) The book that emerges is an improvisation, as virtuosic as it is delicate, on a historical theme.

This collection offers Beethoven lovers detailed notes on the listening experience of each quartet and a range of more general perspectives.

A fascinating and in-depth exploration of how the Enlightenment, the French Revolution, and Napoleon shaped Beethoven's political ideals and inspired his groundbreaking compositions. Beethoven imbibed Enlightenment and revolutionary ideas in his hometown of Bonn, where they were fervently discussed in cafés and at the university. Moving to Vienna at the age of twenty-one to study with Haydn, he gained renown as a brilliant pianist and innovative composer. In that conservative city, capital of the Hapsburg empire, authorities were ever watchful to curtail and punish overt displays of radical political views. Nevertheless, Beethoven avidly followed the meteoric rise of Napoleon. As Napoleon had made strides to liberate Europe from aristocratic oppression, so Beethoven desired to liberate humankind through music. He went beyond the musical forms of Haydn and Mozart, notably in the Eroica Symphony and his opera Fidelio, both inspired by the French Revolution and Napoleon. John Clubbe illuminates Beethoven as a lifelong revolutionary through his compositions, portraits, and writings, and by setting him alongside major cultural figures of the time—among them Schiller, Goethe, Byron, Chateaubriand, and Goya.
