Excellent Condition | eBay

The King KN-64 DME

represents a compromise
between the KN-62 and KN-62A
DMEs. It is a current
production model, like the
KN-62A, but typically sells

Bookmark File PDF Bendix King Kn 64 Dme Manual

for roughly the price of a KN-62 (check current prices). The trade-off is that the KN-64 is a less powerful model than either the KN-62 or KN-62A.

During the Bendix and King merger (i.e. Bendix/King), a new part numbering system was created that converted

Bookmark File PDF Bendix King Kn 64 Dme Manual

these 9 digit part numbers
to 12 digits. Therefore,
066-3056-01 became
066-03056-0001. Despite this
numbering change, units that
were originally from the
King Radio design still have
the 9 digit part number
