The 1928 Book of Common Prayer is a treasured resource for traditional Anglicans and others who appreciate the majesty of King James-style language. This classic edition features a Presentation section containing certificates for the rites of Baptism, Confirmation, and Marriage. The elegant burgundy hardcover binding is embossed with a simple gold cross, making it an ideal choice for both personal study and gift-giving. The 1928 Book of Common Prayer combines Oxford's reputation for quality construction and scholarship with a modest price - a beautiful prayer book and an excellent value.

This revised, expanded edition of the Common Worship President's Edition contains everything to celebrate Holy Communion Order One throughout the church year. It combines relevant material from the original President's Edition with Eucharistic material from Times and Seasons, Festivals and Pastoral Services, and the Additional Collects.

The Parson's Handbook, first published in 1899, is Dearmer's brotherly advice to fellow churchmen about the correct way to conduct proper and fitting English worship, concerned with general principles of ritual and ceremonial, but the emphasis is squarely on the side of art and beauty in worship. He was the author of books and pamphlets on church art and history and editor of the hymnbook Songs of Praise in 1931. The Parson's Handbook ran into many editions, and he devised The English Hymnal to which composers Ralph Vaughan Williams and Gustav Holst contributed. In The Parson's Handbook, Dearmer states in the introduction that his goal is to help in "remedying the lamentable confusion, lawlessness, and vulgarity which are conspicuous in the Church at this time." What follows is an exhaustive delineation, sparing no detail, of the young priest's ideas on how liturgy can be conducted in a proper Catholic and English manner.

This versatile collection provides a wealth of supplementary material to help you customize Common Worship services for any locality, age group, special occasion or festival. It offers:

- Advice and guidance on planning, preparing and structuring services.
- Over 250 pages of prayers and liturgy, conveniently organised by function, e.g. Gathering and Greeting, Praise and Thanksgiving, Action and Movement.
- 22 easy-to-adapt sample services for eucharistic, non-eucharistic, all-age worship and seasonal services.

This book documents hundreds of customs and traditions practiced in countries outside of the United States, showcasing the diversity of birth, coming-of-age, and death celebrations worldwide.

- Examines cultural events in the general categories of birth and childhood events, teen and early adulthood milestones, and aging and death customs
- Offers primary and cultural document excerpts that are useful
