Schuyler Van Alen is confused about what is happening to her. Her veins are starting to turn blue, and she's starting to crave raw meat. showing an interest in her. And when one of the popular girls is found dead, Schuyler and Jack are determined to get to the bottom of it. Schuyler wants to find out the secrets of the mysterious Blue Bloods. But is she putting herself in danger? Melissa de la Cruz's vampire mythology, set against the glitzy backdrop of New York City, is a juicy and intoxicating read.

A must-read for humans of all ages, this middle grade novel grows up before your very eyes. Painfully shy and lonely, eleven-year-old Mariah Miller hates being a human; she'd rather be an animal so she wouldn't have to go to school and deal with mean old Mrs. Tarbox and her nasty cousin, Travis, who has invaded her life. Enchantment abounds when she finds a magic spearhead on the beach that allows her to talk to a wise old horseshoe crab and a host of other animals. Her father becomes seriously ill, and throughout her trials in the real world, she is often surprised by the unpredictable power of the spearhead. As she travels through time and space, and listens to the wisdom of creatures and people, Mariah makes leaps in her own personal growth, discovers the interdependence of all living things, learns how perspective creates reality, and what it really means to be human.

A mysterious high-profile homicide in the nation's capital collides with the dark side of national security in David Baldacci's new, heart-stopping thriller. TRUE BLUE Mason "Mace" Perry was a firebrand cop on the D.C. police force until she was kidnapped and framed for a crime. She lost everything—her badge, her career, her freedom—and spent two years in prison. Now she's back on the outside and focused on one mission: to be a cop once more. Her only shot to be a true blue again is to solve a major case on her own, and prove she has the right to wear the uniform. But even with her police chief sister on her side, she has to work in the shadows: A vindictive U.S. attorney is looking for any reason to send Mace back behind bars. Then Roy Kingman enters her life. Roy is a young lawyer who aided the poor until he took a high-paying job at a law firm in Washington. Mace and Roy meet after he discovers the dead body of a female partner at the firm. As they investigate the death, they start uncovering surprising secrets from both the private and public world of the nation's capital. Soon, what began as a fairly routine homicide takes a terrifying and unexpected turn—into something complex, diabolical, and possibly lethal.

Have you ever wondered what secrets lurk behind the closed doors of New York City's wealthiest families? They're powerful, they're famous... they're undead. Schuyler

Van Alen's blood legacy has just been called into question—is the young vampire in fact a Blue Blood, or is it the sinister Silver Blood that runs through her veins? As controversy swirls, Schuyler is left stranded in the Force household, trapped under the same roof as her cunning nemesis, Mimi Force, and her forbidden crush, Jack Force. When one of the Gates of Hell is breached by Silver Bloods in Rio de Janeiro, however, the Blue Bloods will need Schuyler on their side.
