From debut author Lisa Moore Ram é e comes this funny and big-hearted debut middle grade novel about friendship, family, and standing up for what ' s right, perfect for fans of Angie Thomas ' s The Hate U Give and the novels of Ren é e Watson and Jason Reynolds. Twelve-year-old Shayla is allergic to trouble. All she wants to do is to follow the rules. (Oh, and she ' d also like to make it through seventh grade with her best friendships intact, learn to run track, and have a cute boy see past her giant forehead.) But in junior high, it ' s like all the rules have changed. Now she ' s suddenly questioning who her best friends are and some people at school are saying she ' s not black enough. Wait, what? Shay ' s sister, Hana, is involved in Black Lives Matter, but Shay doesn't think that's for her. After experiencing a powerful protest, though, Shay decides some rules are worth breaking. She starts wearing an armband to school in support of the Black Lives movement. Soon everyone is taking sides. And she is given an ultimatum. Shay is scared to do the wrong thing (and even more scared to do the right thing), but if she doesn't face her fear, she'll be forever tripping over the next hurdle. Now that ' s trouble, for real. "Tensions are high over the trial of a police officer who shot an unarmed Black man. When the officer is set free, and Shay goes with her family to a silent protest, she starts to see that some trouble is worth making." (Publishers Weekly, "An Anti-Racist Children's and YA Reading List")

In this volume, which reaffirms the uncompromising brilliance of his mind, Cioran strips the human condition down to its most basic components, birth and death, suggesting that disaster lies not in the prospect of death but in the fact of birth, "that laughable accident." In the lucid, aphoristic style that characterizes his work, Cioran writes of time and death, God and religion, suicide and suffering, and the temptation to silence. Through sharp observation and patient contemplation, Cioran cuts to the heart of the human experience. " A love of Cioran creates an urge to press his writing into someone ' s hand, and is followed by an equal urge to pull it away as poison. " —The New Yorker " In the company of Nietzsche and Kierkegaard."—Publishers Weekly "No modern writer twists the knife with Cioran's dexterity. . . . His writing . . . is informed with the bitterness of genuine compassion."—Boston Phoenix

Sherlock meets Veronica Mars meets Ferris Bueller's Day Off in this story of a wisecracking girl who meets a weird but brilliant boy and their roller-coaster of a semester that's one part awkward, three parts thrilling, and five parts awesome. When Philip Digby first shows up on her doorstep, Zoe Webster is not impressed. He's rude and he treats her like a book he's already read and knows the ending to. But before she knows it, Digby—annoying, brilliant and somehow...attractive? Digby—has dragged her into a series of hilarious and dangerous situations all related to an investigation into the kidnapping of a local teenage girl. A kidnapping that may be connected to the tragic disappearance of his own sister eight years ago. When it comes to Digby, Zoe just can't say no. Digby gets her, even though she barely gets herself. But is Digby a hero, or is his manic quest an indication of a desperate attempt to repair his broken family and exercise his own obsessive compulsive tendencies? A romance where the leading man is decidedly unromantic, a crime novel where catching the crook isn't the only hook, a friendship story where they aren't even sure they like each other—this is a contemporary debut with razor-sharp dialogue, ridiculously funny action, and the most charismatic dynamic duo you've ever met.

From the acclaimed author of The Lemonade War comes a new book starring two smart girls determined to liven up their town—one epic prank at a time. Someone starts pulling the kind of pranks that send their rule-loving new principal into an uproar—complete with purple puffs of smoke, parachuting mice, and a scavenger hunt that leads to secret passageways. Suddenly the same-old football games, election for class president, and embarrassing stories feel almost exciting. And for the first time in her life, Maggie begins to wonder if there might be more to Odawahaka than she ever saw coming!
