Audiobook Break Hannah Moskowitz

Hannah Moskowitz is a talented enough writer to keep the whole premise trucking along, even if there are so many questions left unanswered by the end, as well as subplots that are kind of sloppily tied up. I guess they're all just open to interpretation. 3.5/5.

Breaking bones hurt- but everything else hurt significantly more and Moskowitz did a superb job expression this through her writing. Her writing style in this book is a little unique and very heavy on Jonah's thoughts, even the repetition of a word or phrase in times of high stress.
