best-loved and most familiar brands, adored by generations of children. What is less well known, though, is how close this iconic company came to total collapse in 2003. Brick by Brick is the compelling story of a Danish family-owned company that enjoyed decades of success before its inability to keep in step with a rapidly changing market brought it crashing to earth.

“Lego’s revival has been called the greatest turnaround in corporate history. A book devoted to the subject, David Robertson’s *Brick by Brick: How Lego Rewrote the Rules of Innovation*, has become a set business text. Sony, Adidas and Boeing are said to refer to it. Google now uses Lego bricks to help its employees innovate.”
