4 Introduction Learning to read is the goal for all students,
but, unfortunately, success is not a given. Many students, for
many reasons, find reading an enormous challenge. Despite
excellent reading programs, dedicated teachers, and various
kinds of interventions, all too many students emerge

Grade 2 _____

Comprehension Skills

According to the Common Core State Standards, students should be able to read closely to determine what a text says explicitly, make logical references from it, and cite specific textual evidence to support conclusions drawn from the text. Each of the 40 short, nonfiction passages in this collection includes companion comprehension questions that target these critical reading skills and give ...
