The Canon PowerShot A710 IS is expensive for a compact camera, although it does offer a wide range of features for the money. Overall performance is outstanding, however build quality and more...

Canon PowerShot A710 IS Review | Trusted Reviews

Although four batteries are supplied with the Battery and Charger Kit CBK4-200, some PowerShot camera models only require two batteries. It takes approximately 110 minutes when two batteries are loaded one at each end of the charger and 250 minutes with four for the charger to fully recharge them (as determined by testing at Canon facilities).
