The sacred Spanish-language hymns known as alabados originated in colonial New Spain in the eighteenth century. The Alabados of New Mexico includes a selection of the most beloved and most often sung hymns, in English and Spanish, as well as a basic explanation of the alabado. Introductory material discusses the

sources of alabados and the form's origin in late medieval spirituality.

Thomas Steele defines terms and discusses the alabado as poetry, music, and oral tradition. The 126 bilingual alabados are organized by theme, including the Christ child and holy family, passion narratives, sacraments, and
