In this practical, accessible guide for students, faculty, and other university personnel, author Cynthia E. Carr shares her best practices for planning, writing, and winning research grants based on her own experience submitting more than 300 grant proposals and securing millions of dollars in awards. Insightful, innovative, and informative, the book goes beyond coverage of standard grant writing to specifically address the issues faced by the higher education community, including the university bureaucracy and how to navigate it. The Nuts and Bolts of Grant Writing covers everything from budgets to submissions and federal to foundation competitions, giving novices the opportunity to leapfrog over some of the hard lessons that most college and university grant seekers must learn from trial and error and allowing those with more experience to sharpen their skills.

The Basics of Public Budgeting and Financial Management brings budgetary theory and practice together, filling the void between the two that has existed in the field of budgeting and public finance. This book bridges the gap by providing the reader with applications and exercises that reinforce budgetary theory. Students are given the opportunity to learn various concepts and skills necessary to succeed in the field and the exercises provided in each chapter require application of what is learned. Specifically, students will be exposed to basic budget and finance concepts, public revenue, financial management, risk assessment, cost benefit analysis, and so on. This handbook also provides great tools that allow the user to visually display budgets and other analysis. Students will gain the solid foundation needed to begin work in a budget office. Features of this second edition include enhanced data and optional in-class assignments. For ancillary materials, please contact the author at menifieldc@missouri.edu.
