A resource for Christian parents of LGBTQ+ children to read individually or in small church groups, exploring the lessons and truths the Bible offers. Written and published by the founders of the ministry Embracing the Journey, it engages them with questions and helps them find unexpected blessings and hope along the way.

A sympathetic, compassionate, and inspiring guide for parents—from the founders of one of the first Christian ministries for parents of LGBTQ children. Greg and Lynn McDonald had never interacted with members of the LGBTQ community until they discovered that their son was gay. Without resources or support, they had no idea how to come to terms with this discovery. At first they tried to “ fix ” him, to no avail. But even in the earliest days of their journey, the McDonalds clung to two absolutes: they would love God, and they would love their son. “ An essential resource for Christian parents of LGBTQ kids, ” (Matthew Vines, Executive Director of The Reformation Project) this book follows the McDonald family ’ s journey over the next twenty years, from a place of grief to a place of gratitude and acceptance that led the McDonalds to start one of the first Christian ministries for parents of LGBTQ children. Based on their experience from counseling and coaching hundreds of struggling Christian parents, they offer tools for understanding your own emotional patterns and spiritual challenges. They also help you experience a deeper relationship with God while handling difficult or unexpected situations that are out of your control. You will discover tested principles, patterns, and spiritual lessons that can change the way we all see our families, and help Christians at large think through Christ-like ways to respond to the LGBTQ community. Written in an unvarnished, honest, reassuring, and relatable voice, this is a practical guide for parents and a roadmap to learning to love God, the people He created, and the church, even when they seem to be at odds.
