We will continue to drive the sustainability agenda across our immediate geographical location, London. Ensuring the region remains at the forefront of sustainable development. We will explore the potential for financial revenue opportunities for the organisation through the creation of replicable products which will be mutually beneficial to both Barts Health and the wider NHS.

Sustainability - Barts Health NHS Trust continues to provide holistic care to terminally ill cancer patients and their families, free of charge. Till now, the Centre has provided comfort and solace to
