A biography on the self-made tycoon who rose from car salesman to owner of the New Orleans Saints, and grappled with tragedies along the way. From salesman to dealership owner, New Orleans-born billionaire Tom Benson started in business with cars, which paved the way for his other profitable enterprises that include banks, real estate, and the New Orleans Saints. Kathy Finn ~~'s~~ biography of this self-made tycoon reveals some of the mystery behind the legend. Beginning with his working-class childhood in New Orleans, Finn delves into the contention surrounding Benson, from the controversial near-relocation of the Saints to the dramatic legal battle with his daughter. Including interviews with friends, family, and acquaintances, this extensive compilation sheds light on the man behind the empire—his successes and his tragedies.

Cosa si prova a diventare il primo giocatore italiano della storia a vincere il titolo NBA e a trionfare nella gara del tiro da tre punti all ~~'~~ All Star Game? Qual ~~'~~ è il percorso che porta a cogliere quest ~~'~~ occasione? Marco Belinelli ha realizzato un sogno, il suo e quello di migliaia di ragazzi che guardano al basket professionistico come un mito irraggiungibile. In Pokerface Marco racconta ~~–~~ insieme al giornalista Alessandro Mamoli ~~–~~ la sua incredibile ascesa nell ~~'~~ Olimpo del basket svelando la passione che si nasconde dietro la freddezza del campione: dai primi canestri nella Virtus e nella Fortitudo, fino alla scommessa del draft NBA nel 2007, per arrivare al suo primo anello con i San Antonio Spurs, quando ha dimostrato all ~~'~~ Italia e al mondo intero di non essere un bluff. Attraverso le esperienze pi ~~'~~ù significative, i retroscena pi ~~'~~ù curiosi, e gli ~~'~~ incontri che cambiano la vita ~~'~~, si definisce l ~~'~~ immagine di un ragazzo diventato uomo, e di un uomo capace di mettersi sempre in gioco per essere un vincente. Ora quell ~~'~~ uomo ha capito che aveva bisogno di una nuova sfida, di qualcuno che gli dicesse ~~'~~ Vogliamo te per tornare a vincere ~~'~~. Una richiesta che il Bell non ha potuto ignorare, perch ~~'~~ è arrivata dalla sua Bologna, dove tutto ~~'~~ è cominciato.

A study of ~~'~~ the hypocrisy of the game, capitalism, activism (a la Kaepernick), disrespect to female athletes, and who benefits from sports the most ~~'~~ (Electric Lit). Part play-by-play, part op-ed, The Game Is Not a Game is an illuminating and unflinching examination of the good and evil in the sports industry. Liberating and provocative, with sharp wit and generous humor, Jackson ~~'s~~ essays explore the role that sports plays in American society and the hypocritical standards by which the athletes are often judged. The Game Is Not a Game is distinctly intended to challenge accepted ideology and to push the boundaries of mainstream sports media beyond the comfort zone. Chapters expose ~~'~~ Our Miseducation of LeBron James, ~~'~~ ~~'~~ #ThemToo: The UnRespected Worth of the Woman Athlete, ~~'~~ the duplicity of the NFL in its treatment of Colin Kaepernick and the anthem protests, the cultural bias of analytics, and the power of social activism versus the power and politics of professional sports ownership—all from the sharp, savvy, and self-critical perspective of one of the leading voices for social justice in sports media. ~~'~~ Bristles with bracing and brutal insights that take no tea for the fever and offer no discount on truth or justice . . . an instant classic that reckons with the factors that make sports possible, and at the same time wrestles with the forces that make protest in sports necessary. The Game Is Not a Game is intersectional cultural analysis at its best! ~~'~~ —Michael Eric Dyson, New York Times bestselling author ~~'~~ Jackson ~~'s~~ work is not about scores; rather, he stresses that sports are a self-contained microcosm of society at large. A thought-provoking, unflinchingly insightful book. ~~'~~ —Booklist

Following the NFL's desegregation in 1946, opportunities became increasingly plentiful for African American players—but not African American coaches. Although Major League Baseball and the NBA made progress in this regard over the years, the NFL's head coaches were almost exclusively white up until the mid-1990s. Advancing the Ball chronicles the campaign of former Cleveland Browns offensive lineman John Wooten to right this wrong and undo decades of discriminatory head coach hiring practices—an initiative that finally bore fruit when he joined forces with attorneys Cyrus Mehri and Johnnie Cochran. Together with a few allies, the triumvirate galvanized the NFL's African American assistant coaches to stand together for equal opportunity and convinced the league to enact the "Rooney Rule," which stipulates that every team must interview at least one minority candidate when searching for a new head coach. In doing so, they spurred a movement that would substantially impact the NFL and, potentially, the nation. Featuring an impassioned foreword by Coach Tony Dungy, Advancing the Ball offers an eye-opening, first-hand look at how a few committed individuals initiated a sea change in America's most popular sport and added an extraordinary new chapter to the civil rights story.

The most outspoken and combative coach in NBA history—and one of the most successful, amassing more than 1,175 victories, the sixth best winning record ever—reflects on his life, his career, and his battles on and off the basketball court in this no-holds-barred memoir A man of deep passion and intensity, George Karl earned his bad boy reputation while playing at the University of North Carolina, a rap that continued through the five years he spent with the San Antonio Spurs—and long after he stopped playing. Karl ~~'s~~ beery nights, fistfights, and barking followed him into a thirty-five-year coaching career. In a game defined by big stakes and bigger egos, rabid fans and an unforgiving media, Karl was hired and fired a dozen times. After leading a team beset by injuries and with no superstar to its best season of all time—an achievement that earned Karl the title NBA Coach of the Year—he was dumped by the Denver Nuggets in 2013. Less than a year and a half later, Karl was at the helm of the Sacramento Kings, snarling and bellowing on the sidelines before being cut loose in May 2016. Intense, obstinate, and loud, Karl has never backed down from a confrontation, whether with management, officials, or star players, as NBA legends from Allan Iverson to Gary Payton to Carmelo Anthony to Demarcus Cousins can attest. Telling his story, Karl holds nothing back as he speaks out about the game that has defined his life, including the greed, selfishness, and ass-covering he believes are characteristic of the modern NBA player, and the rampant corruption that leads all the way to the office of the NBA commissioner, David Stern. Karl also reveals how he ~~'s~~ learned to deal with the personalities, the pressure, and the setbacks with a resilience he acquired from his three bouts with cancer. Raw, hard-hitting, and brutally honest, Furious George is as thrilling, unpredictable, and entertaining as the game that has defined Karl ~~'s~~ life.

Features scouting reports on more than three hundred professional basketball players, sixty top rookie prospects, and a hundred top college players, along with their career statistics, fantasy league and trading card values, and much more. Original.
