On September 20, 1587, Walpurga Hausmännin of Dillingen in southern Germany was burned at the stake as a witch. Although she had confessed to committing a long list of maleficia (deeds of harmful magic), including killing forty—one infants and two mothers in labor, her evil career allegedly began with just one heinous act—sex with a demon. Fornication with demons was a major theme

Bookmark File PDF Demon Lovers Witchcraft And The Crisis Of Belief

of her trial record, which detailed an almost continuous orgy of sexual excess with her diabolical paramour Federlin "in many divers places, . . . even in the street by night." As Walter Stephens demonstrates in *Demon Lovers*, it was not Hausmännin or other so-called witches who were obsessive about sex with demons—instead, a number of devout Christians, including trained theologians, displayed an uncanny preoccupation with the topic during the centuries of the "witch craze." Why? To find out, Stephens conducts a detailed investigation of the first and most influential treatises on witchcraft (written between 1430 and 1530), including the infamous *Malleus Maleficarum* (Hammer of Witches). Far from being credulous fools or mindless misogynists, early writers on witchcraft emerge in Stephens's account as rational but reluctant skeptics, trying desperately to resolve contradictions in Christian thought on

God, spirits, and sacraments that had bedeviled theologians for centuries. Proof of the physical existence of demons—for instance, through evidence of their intercourse with mortal witches—would provide strong evidence for the reality of the supernatural, the truth of the Bible, and the existence of God. Early modern witchcraft theory reflected a crisis of belief—a crisis that continues to be expressed today in popular debates over angels, Satanic ritual child abuse, and alien abduction.

To find out, Stephens conducts a detailed investigation of the first and most influential treatises on witchcraft (written between 1430 and 1530), including the infamous *Malleus maleficarum* (Hammer of Witches).".

I gasped, or tried to. My mouth opened, but I couldn't draw breath. His lips, pearly wet, parted and he blew into my mouth. My lungs expanded beneath his weight. When I exhaled he sucked my breath in and his weight turned from cold marble into warm living flesh. Since accepting a teaching position at remote Fairwick College in upstate New York, Callie McFay has experienced the same disturbingly sensual dream every night: A mist enters her bedroom, then takes the shape of a virile, seductive stranger who proceeds to ravish her in the most toe-curling, wholly satisfying ways possible. Perhaps these dreams are the result of her having written the bestselling book *The Sex Lives of Demon Lovers*. Callie's lifelong passion is the intersection of lurid fairy tales and Gothic literature—which is why she's found herself at Fairwick's renowned folklore department, living in a once-stately Victorian house that, at

first sight, seemed to call her name. But Callie soon realizes that her dreams are alarmingly real. She has a demon lover—an incubus—and he will seduce her, pleasure her, and eventually suck the very life from her. Then Callie makes another startling discovery: Her incubus is not the only mythical creature in Fairwick. As the tenured witches of the college and the resident fairies in the surrounding woods prepare to cast out the demon, Callie must accomplish something infinitely more difficult—banishing this supernatural lover from her heart. “Vivid and enchanting . . . Dark’s letter-perfect gothic style is a satisfying tribute to previous gothic novels, and the paranormal elements, including incubi, fae, vampires, and witches, make this a stellar romance.”—Booklist (Top 10 SF/Fantasy) “[Juliet] Dark develops a complex, detailed world where magic, reason, and gothic literature enjoyably

intersect.”—Publishers Weekly

Ever since moving to Fairwick to take up a teaching post at the local college, Callie has been having vivid, erotic dreams about a man made out of moonlight and shadows.

For the first time in English, Michael Ostling tells the story of the imagined Polish witches, showing how ordinary peasant-women got caught in webs of suspicion and accusation, finally confessing under torture to the most heinous of crimes.

While the perception of magic as harmful is age-old, the notion of witches gathering together in large numbers, overtly worshipping demons, and receiving instruction in how to work harmful magic as part of a conspiratorial plot against Christian society was an innovation of the early fifteenth century. The sources collected in this book reveal this concept in its formative stages. The idea that witches were members of organized heretical sects or part of a vast diabolical conspiracy crystalized most clearly in a handful of texts written in the 1430s and clustered geographically around the arc of the western Alps. Michael D. Bailey presents accessible English translations of the five oldest surviving texts describing the witches' sabbath and of two witch trials from the period. These sources, some of which were previously unavailable in English or

Bookmark File PDF Demon Lovers Witchcraft And The Crisis Of Belief

available only in incomplete or out-of-date translations, show how perceptions of witchcraft shifted from a general belief in harmful magic practiced by individuals to a conspiratorial and organized threat that led to the witch hunts that shook northern Europe and went on to influence conceptions of diabolical witchcraft for centuries to come. *Origins of the Witches' Sabbath* makes freshly available a profoundly important group of texts that are key to understanding the cultural context of this dark chapter in Europe's history. It will be especially valuable to those studying the history of witchcraft, medieval and early modern legal history, religion and theology, magic, and esotericism.

seduction, witty banter, and enemies-to-lovers happily ever afters! He'll show her that the dark side has more to offer than just cookies... ? Fighting demons is what witch Lily Murray does ... until the night a weird dark magic spell turns her into a demon herself with the unfortunate urge to kill her loved ones. In a panic, she runs – right into a sexy male of her new demon species. He's more than happy to help her out and show her the ropes. He's also decidedly too gorgeous to handle. Lily is Alek's idea of the perfect mate, and he'd do anything for her. Except help her turn back into a witch, that is. Because if she does, they can't mate. She just needs a reason to stay a demon, and he'll be damned if he doesn't give her one. So while he proposes to help her, he's putting his plan in motion. Because the Dark Side has more to offer than just cookies. If you love sizzling hot enemies-to-lovers paranormal romance with a
