Battle Cancer Mayte

Mayte Prida provides an honest, unflinching description of her battle with cancer: "It is very difficult to explain how the word "cancer" can change your life so radically. Overnight, my life turned inside out. To face the realities of cancer and possible death isn't easy. But remarkably, I found my outlook on life was greatly enriched.

19, 2018. Advocacy Family Experiences From The Heart News. read more. I cringe every time I read or hear someone is “fighting cancer or battling cancer”. This language implies a war, which means there is a winner and a loser. I’m betting you know someone who died from cancer and you also know that person was anything but a loser.

course, frequently die of cancer, but they are not losers in a battle. Once someone receives a cancer diagnosis, especially advanced-stage disease, a journey begins; sometimes the journey requires patience, tolerance, and courage, but at some point, most patients with advanced disease end that journey with loss of life.
