Karol Ladd, autora del éxito de ventas *El poder de una madre positiva*, nos brinda un estudio fascinante de Filipenses con mujeres que anhelan amar a Dios y también la vida. Los consejos prácticos de Karol y su entusiasmo contagioso ayudarán a las mujeres a enamorarse más profundamente de Dios y de su Palabra a medida que su plan para su vida se vuelve más significativo y realizable que nunca. Preguntas reveladoras y orientativas hacen de este libro un gran recurso para el estudio individual o en grupo. Karol Ladd, author of the best-selling *The Power of a Positive Mom*, shares a passionate exploration of Philippians with women who are longing to love God and life. Karol's trusted guidance and infectious enthusiasm will help women fall more deeply in love with God and His Word as His plan for their lives becomes more meaningful and possible than ever before. Insightful, leading questions make this a great resource for individual or group study.

'Someone has said that when you have nothing left but God, you realize that God is enough. God had stood beside me when no one else wanted me. He was not going to abandon me now. God would have to heal the emotional pain that throbbed through my body.' As a child, Dorie was rejected by her mother, sent to live in an orphanage where she was regularly beaten by the orphanage director, was beaten time and again by cruel foster parents, and was daily told that she was ugly and unlovable. Dorie never knew love until a group of college students visited the orphanage and told her that God loved her. As she accepted that love, her life began to change. Dorie is the thrilling, true account of what God's love can do in a life. Doris Van Stone takes readers through the hard years of her childhood into her fascinating years as a missionary with her husband to the Dani tribe in New Guinea. With the rise of illegitimate births, the increase in divorce statistics, and the frightening escalation of child abuse, this story stands as a reminder that God's love, forgiveness, and grace are greater than human hurt and

Cecilia Valdés is arguably the most important novel of 19th century Cuba. Originally published in New York City in 1882, Cirilo Villaverde's novel has fascinated readers inside and outside Cuba since the late 19th century. In this new English translation, a vast landscape emerges of the moral, political, and sexual depravity caused by slavery and colonialism. Set in the Havana of the 1830s, the novel introduces us to Cecilia, a beautiful light-skinned mulatta, who is being pursued by the son of a Spanish slave trader, named Leonardo. Unbeknownst to the two, they are the children of the same father. Eventually Cecilia gives in to Leonardo's advances; she becomes pregnant and gives birth to a baby girl. When Leonardo, who gets bored with Cecilia after a while, agrees to marry a white upper class woman, Cecilia vows revenge. A mulatto friend and suitor of hers kills Leonardo, and Cecilia is thrown into prison as an accessory to the crime. For the contemporary reader Helen Lane's masterful translation of Cecilia Valdés opens a new window into the intricate problems of race relations in Cuba and the Caribbean. There are the elite social circles of European and New World Whites, the rich culture of the free people of color, the class to which Cecilia herself belonged, and then the slaves, divided among themselves between those who were born in Africa and those who were born in the New World, and those who worked on the sugar plantation and those who worked in the households of the rich people in Havana. Cecilia Valdés thus presents a vast portrait of sexual, social, and racial oppression, and the lived experience of Spanish colonialism in Cuba.

Realism has not only shaped important schools and periods in literary history, but has also been a fundamental constant of all literature, its first theoretical formulation being the principle of mimesis in Aristotle's Poetics. Realism can be considered by extension one of the main aspects of literary theory, the aims of which must be to define its concepts clearly and to neutralize the imprecision, polysemy, and ambiguity that often characterized the application of realism.

Just as God gave Dorie Van Stone a tender heart to forgive her abusers, He also gave her the strength to reveal her past in *No Place to Cry*, the sequel to the best-seller *Dorie: The Girl Nobody Loved*. Through her candor you will gain insight into the trauma of emotional and sexual abuse.

The present volume contains the proceedings of the Seventh International East-West Symposium of New Testament Scholars in Moscow 2016. Its contributions are devoted to different aspects of the question of the relation between history and theology in New Testament and extracanonical Gospel literature. They deal with problems regarding the impact of critical historical approaches for New Testament theology, the relation between the Gospels' claim for truth and historical facts, Orthodox receptions of the Gospel literature, and the presentation of "the" Gospel in Byzantine liturgy.

Elisabeth Elliot was a young missionary in Ecuador when members of a violent Amazonian tribe savagely speared her husband Jim and his four colleagues. Incredibly, prayerfully, Elisabeth took her toddler daughter, snakebite kit, Bible, and journal . . . and lived in the jungle with the Stone-Age people who killed her husband. Compelled by her friendship and forgiveness, many came to faith in Jesus. This courageous, no-nonsense Christian went on to write dozens of books, host a long-running radio show, and speak at conferences all over the world. She was a pillar of coherent, committed faith; a beloved and sometimes controversial

icon. In this authorized biography, *Becoming Elisabeth Elliot*, bestselling author Ellen Vaughn uses Elisabeth's private, unpublished journals, and candid interviews with her family and friends, to paint the adventures and misadventures God used to shape one of the most influential women in modern church history. It's the story of a hilarious, sensual, brilliant, witty, self-deprecating, sensitive, radical, and surprisingly relatable person utterly submitted to doing God's will, no matter how high the cost. For Elisabeth, the central question was not, "How does this make me feel?" but, simply, "is this true?" If so, then the next question was, "what do I need to do about it to obey God?" "My life is on Thy Altar, Lord—for Thee to consume. Set the fire, Father! Bind me with cords of love to the Altar. Hold me there. Let me remember the Cross." —Elisabeth Elliot, age 21

Alice McNeil resolved at a young age to travel through life unencumbered by love or marriage, free to make her own decisions. A seasoned telegrapher, she's recently acquired a coveted position at an important trading firm, but when the company's ambitious junior director returns to London, things begin to change in ways Alice could never have imagined. For Douglas Shaw, years of hard work and ingenuity enabled him to escape a life of grinding poverty. He's also determined to marry into high society--a step that will ensure he never returns to the conditions of his past. He and Alice form a friendly relationship based on mutual respect, but anything deeper is not in their plans. However, when Alice accidentally raises the ire of a jealous and vindictive coworker who's intent on ruining her life, Alice and Douglas are forced to confront what is truly important in their lives. Will their growing bond give them the courage to risk finding a better way?
