~~Download Dysfunctional Families Can Become Functional~~

A functional family means every member of the family needs every other member. It puts satisfaction into our own collective hands rather than settling for being a satisfied customer. It means we are learning and teaching how to be a citizen in ways that cannot come from civics class.

~~How Can We Restore the Function to 'Dysfunctional' Families?~~

Access PDF Dysfunctional Families Can Become Functional

If a family was operating pretty well in most areas, it might be described as 90% well functioning and 10% dysfunctional, with that dysfunctional part occurring in one or more areas. If we can approach the question of functional versus dysfunctional from this perspective rather than as a label to judge or blame the family, then we can use it productively as a means to heal the wounds that ...
