Designed with New York State high school students in mind. CliffsTestPrep is the only hands-on workbook that lets you study, review, and answer practice Regents exam questions on the topics you're learning as you go. Then, you can use it again as a refresher to prepare for the Regents exam by taking a full-length practictetest. Concise answer explanations immediately follow each question--so everything you need is right there at your fingertips. You'll get comfortable with the structure of the actual exam while also pinpointing areas where you need further review. About the contents: Inside this workbook, you'll find sequential, topic-specific test questions with fully explained answers for each of the following sections: * Observation and Measurement * The Dynamic Crust * Minerals and Rocks * Geologic History * Surface Processes and Landscapes * Meteorology * The Water Cycle and Climates * Astronomy * Measuring the Earth A full-length practice test at the end of the book is made up of questions culled from multiple past Regents exams. Use it to identify your weaknesses, and then go back to those sections for more study. It's that easy! The only review-as-you-go workbook for the New York State Regents exam

Bring Content to life with the interactive whiteboard ready products for Prentice Hall Earth Science. Renowned authors Edward Tarbuck and Frederick Lutgens invite students on a journey of observation, explanation, and participation in the study of Earth's processes. An accessible writing style, original artwork by Dennis Tasa, and powerful technology create a fresh new program that leads your diverse classroom on a path to discovery. This new edition is perfectly suited to today's high school curriculum. Bringing content to life, the integrated GEODE Key Concepts CD-ROM connects students to the world through video, animations, and assessment.

The Peer Power Program is a peer training program designed for middle, high school, and higher education students, focusing on 8 core skills: Attending, Empathizing, Summarizing, Questioning, Genuineness, Assertiveness, Confrontation, and Problem Solving. Through a series of exercises, games, and self-awareness techniques, youth and adults involved in the program can gain the basic communication and mediation skills necessary to effectively help their peers. Picking up where Book One left off, the Peer Power, Book Two: Workbook brings the participating students through a series of Modules, focusing on how to apply the core skills learned in the first half of the program in real life situations. This volume covers topics such as drugs and alcohol abuse, taking care of you through stress management, leadership training, tutoring, group work, enhancing sexual health, disordered eating, suicide prevention, coping with loss, highway traffic safety, bullying reduction, mentoring, crisis management, character education, problem gambling prevention, and tobacco prevention.
