Understanding how English grammar works can be quite daunting; even more so if English is not your native tongue. However, in today's competitive world you need to get the grammar right, especially in written English. Whether you write simple business emails or complicated academic papers and whether you are a professional or a student, using the correct grammar will give you a competitive edge because it helps you get your message across more clearly and shows that you pay attention to detail. This book offers you a basic introduction to the grammar rules of English. This book focuses on the different parts of speech and shows you how to use English correctly. It is structured in the form of lessons, each ending with at least one short exercise to help you check your understanding of what you've learned in that lesson. At the end of the book you'll find longer exercises mixing everything together. You can use this book not only to learn English grammar but also as a basic reference guide when you are unsure of how to structure a sentence and which words to use.If you want to understand the basics of English grammar and improve your language skills, This book will guide you every step of the way.

Whether you're a native English speaker or not, you've most likely realized that English is a tricky language. Almost every grammar rule has variations and exceptions, which make the language confusing and challenging. The good news is that English instructor Sitara Maruf has now put her original curriculum into an easy-to-use guide, so you can independently study and strengthen your grammar. She uses familiar examples from daily life and explains grammar rules and concepts, one topic at a time. She also points to variations and exceptions and how to avoid common mistakes. s Which article can be used before a noncount noun? s Which verb tenses do not need helping verbs? s How is a comma used with quotation marks? From parts of speech and articles to capitalization and punctuation, she also clears up trouble spots, to help you understand, apply, and remember the rules. Moreover, there are worksheets, quizzes, and answers to test your new knowledge. Once you have satisfied your intellectual curiosity, this guide will serve as a future reference and a supplement for English and writing courses. Today, begin your journey toward achieving a greater command of English grammar and increasing your confidence in speaking and writing English.
