Writers Having Fun Emerson The Mind On Fire**

The Mind on Fire is about the unique, irreducible experience of Emerson: what he read, who he loved, where he wal. For a man who believed that biography is the only history worth reading, Emerson must have smiled in his grave when Robert Richardson, a modern master of the genre, published The Mind on Fire.

Emerson: The Mind on Fire by Robert D. Richardson Jr.

Richardson also wrote "Henry Thoreau: A Life of the Mind," which is an intellectual biography that doesn't too much go into the everyday details of Henry's Life. "Mind on Fire" is more of a general biography yet still emphasizes what Emerson read, what and how he thought. I highly recommend both books by this author.

Amazon.com: Emerson: The Mind on Fire eBook: Richardson Jr ...

"The Mind on Fire integrates heart and head without ever confusing the two; it presents exciting readings of Emerson's major works; it reveals a productive emotional vitality in ways never before shown; it is learned, accurate, judicious, and comprehensive, crisp in its conclusions, poetic in its language, too respectful of its subject ever to make him stodgy. The book is aptly titled, with its allusion to Emerson's volcanic metaphor for the creative mind, for Richardson's book truly fires ...

Emerson: The Mind on Fire - Robert D. Richardson Jr ...

The fire affected Emerson profoundly. he was exhausted; he became ill. His power of attention and his memory weakened visibly. Enough money had been raised for him to take a trip as well as rebuild the house. On October 23, 1872, he sailed with Ellen for England, the Continent, and Egypt. This trip too was an ending.
