In New York Times bestselling author Emma Chase's sizzling and hilarious debut novel, Drew Evans—gorgeous, arrogant, irreverent, and irresistibly charming—meets his match in new colleague Kate Brooks. When rich, handsome, and arrogant meets beautiful, brilliant, and ambitious, things are bound to get tangled... Drew Evans makes multimillion-dollar business deals and seduces New York's most beautiful women with just a smile. So why has he been shuttered in his apartment for seven days, miserable and depressed? He'll tell you he has the flu, but we all know that's not really true. When Katherine Brooks is hired as the new associate at Drew's father's investment banking firm, every aspect of the dashing playboy's life is thrown into a tailspin. The professional competition she brings is unnerving, his attraction to her is distracting, his failure to entice her into his bed is exasperating. How can one woman turn a smooth-talking player into a broken, desperate man? By making the one thing he never wanted in life the only thing he can't live without.

In the fourth sexy romance by the New York Times bestselling author of Tangled and Twisted, Drew and Kate can't wait to tie the knot—if they can survive the pre-wedding festivities. For most of my life, I never imagined I'd get married. But Kate did the

impossible: she changed me. I think we can all agree I was pretty frigging awesome before, but now I'm even better. The road to this day wasn't all rainbows and boners. There were mistakes and misunderstandings worthy of a Greek tragedy. But Kate and I made it through with our inexhaustible lust, boundless admiration, and everlasting love for one another intact. That being said, there were some unexpected incidents in Vegas last weekend that could have been a problem. It was kind of...my final test. I know what you're thinking--what the hell did you do this time? Relax. Let's not judge, or call for my castration, until you've heard the whole story. And hold on tight, because you're in for a wild ride. Did you expect anything less?

Drew to the office in anger on Christmas Eve, he falls asleep at his desk. There, three lovely holiday spirits magically visit him to teach him that every moment is precious and that he should never take his family for granted. But when he wakes up, will he just write it off as a dream? Originally published in the sizzling anthology *Baby, It's Cold Outside*, this irresistible novella is the perfect holiday treat! And as special bonus material after the novella, Emma Chase has included a scene showing Drew's marriage proposal to Kate!

The New York Times bestselling author of the Tangled books returns with the third standalone romance in the Legal Briefs series, a collection of sexy novels about first crushes, second chances, and the final verdict of the heart. When Brent Mason looks at Kennedy Randolph, he doesn't see the awkward, sweet girl who grew up next door. He sees a self-assured, stunning woman...who wants to crush the most intimate—and prized—parts of his anatomy beneath the heels of her Louboutins. When Kennedy looks at Brent, all she sees is the selfish, Abercrombie & Fitch catalogue-worthy teenager who humiliated her in high school in order to join the popular crowd. A crowd that made those years a living hell for her. But she's not a lovesick social outcast anymore—she's a Washington, DC,

prosecutor with a long winning streak. Brent is the opposing attorney in her next case, and Kennedy thinks it's time to put him through a little hell of his own. But things aren't exactly working out the way she planned. Brent has his sights set on Kennedy, and every fiery exchange only makes him want her more—and makes her wonder if he's as passionate in the bedroom as he is in the courtroom. In the end, they may just find themselves in love...or in contempt of court.

Falling in love is easy. Staying in love is hard. In this heart-pounding follow-up to *Tangled* by New York Times bestseller Emma Chase, Kate reveals that there is trouble in paradise, when unexpected circumstances force her and Drew to "renegotiate" their relationship. There are two kinds of people in the world. The ones who look first, and the ones who leap. I've always been more of a looker. Cautious. A planner. That changed after I met Drew Evans. He was so persistent. So sure of himself—and of me. But not all love stories end happily ever after. Did you think Drew and I were going to ride off into the sunset? Join the club. Now I have to make a choice; the most important of my life. Drew already made his—in fact, he tried to decide for the both of us. But you know that's just not my style. So I came back to Greenville, Ohio, alone. Well, sort of alone... What I've come to realize is that old habits die hard, and sometimes you have to go back to where

Emma Chase, New York Times bestselling author of the Tangled series, returns with a funny, romantic, sexy story! A knight in tarnished armor is still a knight. When you're a defense attorney in Washington, DC, you see firsthand how hard life can be, and that sometimes the only way to survive is to be harder. I, Jake Becker, have a reputation for being cold, callous, and intimidating—and that suits me just fine. In fact, it's necessary when I'm breaking down a witness on the stand. Complications don't work for me—I'm a "need-to-know" type of man. If you're my client, tell me the basic facts. If you're my date, stick to what will turn you on. I'm not a therapist or Prince Charming—and I don't pretend to be. Then Chelsea McQuaid and her six orphaned nieces and nephews came along and complicated the ever-loving hell out of my life. Now I'm going to Mommy and Me classes, One Direction concerts, the emergency room, and arguing cases in the principal's office. Chelsea's too sweet, too innocent, and too gorgeous for her own good. She tries to be tough, but she's not. She needs someone to help her, defend her...and the kids. And that—that, I
