The New York Times bestselling work of undercover reportage from our sharpest and most original social critic, with a new foreword by Matthew Desmond, author of Evicted Millions of Americans work full time, year round, for poverty-level wages. In 1998, Barbara Ehrenreich decided to join them. She was inspired in part by the rhetoric surrounding welfare reform, which promised that a job—any job—can be the ticket to a better life. But how does anyone survive, let alone prosper, on \$6 an hour? To find out, Ehrenreich left her home, took the cheapest lodgings she could find, and accepted whatever jobs she was offered. Moving from Florida to Maine to Minnesota, she worked as a waitress, a hotel maid, a cleaning woman, a nursing-home aide, and a Wal-Mart sales clerk. She lived in trailer parks and crumbling residential motels. Very quickly, she discovered that no job is truly "unskilled," that even the lowliest occupations require exhausting mental and muscular effort. She also learned that one job is not enough; you need at least two if you int to live indoors. Nickel and Dimed reveals low-rent America in all its tenacity, anxiety, and surprising generosity—a land of Big Boxes, fast food, and a thousand desperate stratagems for survival. Read it for the smoldering clarity of Ehrenreich's perspective and for a rare view of how "prosperity" looks from the bottom. And now, in a new foreword, Matthew Desmond, author of Evicted: Poverty and Profit in the American City, explains why, twenty years on in America, Nickel and Dimed is more relevant than ever.

Tallahassee, Florida, 1960s: Brought up by his loving, strict and clear-sighted grandmother, Elwood Curtis is about to enroll at the local black college. But one innocent mistake is enough to destroy his future, and so Elwood arrives instead at the Nickel Academy, which claims to provide training for its inmates to become "honorable and honest men". In reality, the Nickel Academy is a chamber of horrors, where abuse is rife. Stunned to find himself in this vicious environment, Elwood attempts to live by Dr. Martin Luther King's assertion, "Throw us in jail and we will still love you." But his new friend Turner believes the only way to survive is to emulate the cruelty of their oppressors. The tension between Elwood's idealism and Turner's skepticism leads to a decision that will have decades-long repercussions...
