ESL Games for Teens & Adults: No Prep ESL Games for the Classroom. Perfect Teaching Materials for TEFL Lesson Plans (Games, Warmers & Fillers)These ESL games and instant conversation worksheets can be adapted to suit any level, objective and age as warmers, introductions, review activities or fillers to provide language practice and opportunities for feedback. They have been tried and tested in ESL classrooms all over the world with great success. Whether you're teaching children, teens or adults, knowing some good classroom activities is a must for any TESOL teacher. However interesting your lessons are, there will always be a point where students get bored of writing and listening - so having something prepared which will get them talking, laughing and even moving around will help them to stay engaged. Informal exercises are also an important way to get students comfortable with speaking and listening, and can help to put vocabulary and grammar into a practical context. While planned activities are important, it's also always worth having a few quick and easy games in mind in case you have time left over at the end of a lesson - so from quick games to creative projects, here are some of the best activities suitable for students at every level.

"Every lesson needs a conversation starter. Whether you want to warm up a class, emphasize a particular grammar or vocabulary lesson, or wrap things up with a fun twist, ESL Games for the Classroom offers interactive classroom activities that require little or no prep work to make learning fun. Quick and easy to set-up, the activities in this book offer engaging ways to use class time effectively. With clear organization by skill and level, ESL Games for the Classroom is the go-to teacher's companion for adding educational games to any agenda"--Page 4 of cover.

Even experienced ESL teachers get stuck in a rut. It's time to find some fresh ideas! Whether you're a first-time ESL/EFL/TEFL teacher, an experienced but overwhelmed instructor, or an instructor without a textbook, you need more activities for your conversation or speaking classes. If you're tired of wasting time wading through the junk on the Internet, then Jackie and Jennifer are here to help. During their decades of experience teaching English, authors Jackie Bolen and Jennifer Booker Smith have developed countless games and activities for their students. They're sharing their low-prep/no-prep ideas with ESL teachers throughout the world. In 101 ESL Activities for Teenagers and Adults, you'll get a

If you're extremely busy or you're simply out of new ideas, this book makes it easy to try out new and exciting activities your students will love! Buy 101 ESL Activities for Teenagers and Adults to get new lesson plans ready to go in minutes!

100 TESOL Activities for Teachers is a teacher training manual and activity guide that has been used by teacher training groups from Korea, China, Japan, Iraq, Peru, Mexico and many other parts of the world as part of the popular TESOL Certificate Program: Teach English Now! from Coursera and Arizona State University. Designed to be practical, these techniques support the general need to communicate, interact, and make language come alive in the classroom. The manual is organized into 3 distinct parts: * The first section introduces teachers to some of the most common activities in English language teaching, followed by activities categorized by reading, writing, listening, speaking, vocabulary, and icebreakers. * The second section provides a unique model of lesson planning. This adaptable model helps teachers prepare organized routines to make classes more effective and easier to prepare. Includes activities for discussion, giving instructions, guided and less-guided practice, and independent practice. * The third section includes downloadable, photocopyable worksheets for the activities described in the manual.

Even experienced ESL teachers get stuck in a rut. It's time to find some fresh ideas for reading classes!
