The Ethical Life: Fundamental Readings in Ethics and Moral Problems: Shafer-Landau, Russ: Amazon.sg: Books

This collection of primary source materials covering the major themes of moral philosophy features forty-two classical and contemporary readings divided into four parts--The Good Life, Normative Ethics, Metaethics, and Moral

Download File PDF Ethical Life Shafer Landau Final

Problems. Comprehensive yet concise, it introduces students to ethical theory and a wide range of moral issues.

"A compact yet thorough collection of readings in ethical theory and contemporary moral problems - at the best price"--

Living Ethics: An Introduction with Readings is an ideal all-in-one resource for courses in introduction to ethics and contemporary moral problems. In this hybrid textbook/reader, Russ Shafer-Landau brings moral theory and contemporary moral issues to life with a comprehensive and balanced set of readings, uniquely engaging explanations, and clear analysis of arguments. The book balances coverage of moral reasoning (in Part 1) with highly relevant contemporary moral problems (in Part 2).

"An exceptionally clear, compact, and affordable introduction to a broad range of ethical theories"--

A Concise Introduction to Ethics is an abbreviated and simplified version of Russ Shafer-Landau's best-selling textbook/primer on ethical theory for the introduction to ethics and introduction to contemporary moral issues courses, The Fundamentals of Ethics. For many philosophy departments these ethics courses are their largest enrollment offerings, often fulfilling a university

general education requirement. Shafer-Landau's *The Fundamentals of Ethics* has been the #1 selling ethics textbook for years primarily because it provides students with the clearest and most accessible explanations of ethical theories available. It is relatively brief, and yet quite comprehensive, covering more theories than the competing texts do but also presenting them in the most understandable way--the author has a direct conversation with the students. This book will be about 1/3 shorter than *The Fundamentals of Ethics*, while still maintaining its content advantage over competing books by including several areas of theory that others omit, including the good life (value theory), natural law, and prima facie duties. A Concise Introduction to Ethics will be based on the first part of Shafer-Landau's new OUP hybrid textbook/reader *Living Ethics*. The end of each chapter features several cases and discussion questions so students get opportunities to apply ethical theories to real-world moral issues and problems. Like its parent book, this volume can be paired with Shafer-Landau's reader *The Ethical Life*, which includes key reading selections from ethical theory and essays on contemporary moral problems. It can also accompany any reader on ethics or contemporary moral issues.

A Concise Introduction to Ethics offers a

Download File PDF Ethical Life Shafer Landau Final

condensed and exceptionally well-written introduction to the essential moral theories. Based on Russ Shafer-Landau's best-selling primer on ethical theory, *The Fundamentals of Ethics*, this briefer volume retains the longer one's content advantage over competing books by addressing issues that other texts omit, including the good life (value theory), natural law, and prima facie duties. It also incorporates discussion questions and case studies at the end of each chapter, giving students the opportunity to apply ethical theories to real-world moral problems. A perfect companion to Shafer-Landau's anthology, *The Ethical Life*, this volume's compact size and low price make *A Concise Introduction to Ethics* an ideal complement to any course where it is important that students understand moral theories.

In *The Fundamentals of Ethics*, author Russ Shafer-Landau employs a uniquely engaging writing style to introduce students to the essential ideas of moral philosophy. Offering more comprehensive coverage of the good life, normative ethics, and metaethics than any other text of its kind, this book also addresses issues that are often omitted from other texts, such as the doctrine of doing and allowing, the doctrine of double effect, ethical particularism, the desire-satisfaction theory of well-being, and moral error theory. Shafer-Landau carefully reconstructs and analyzes dozens of arguments

Download File PDF Ethical Life Shafer Landau Final

in depth, at a level that is understandable to students with no prior philosophical background. Ideal for courses in introductory ethics and contemporary moral problems, this book can be used as a stand-alone text or with the author's companion reader, *The Ethical Life: Fundamental Readings in Ethics and Moral Problems*, which offers original readings exploring the topics covered in *The Fundamentals of Ethics*.

This is a brief introduction to ethics, with a point of view. The book addresses "meta-ethical" questions that go beyond what most introductory ethics books address, which are "normative" theories (egoism, utilitarianism, etc.) and "applied" ethics (abortion, capital punishment, etc.).
