Fujifilm Finepix S2500HD Digital Camera Review | ePHOTOzine

Ich wollte den Adapter für eine Fujifilm FinePix S1600 einsetzen. Das Positive: Lieferung und Produktverpackung sind einwandfrei. Das Negative: Es gibt nur EINE Klemmschraube und damit läßt sich der Adapter NICHT fixieren. Er verSCHIEBT sich bei einfacher Berührung. Der hintere 58mm Adapter ist nur bedingt nutzbar, da er zu kurz ist.

Presents a comprehensive record of the elite Waffen-SS divisions that fought both on the Eastern and Western Fronts during the last two years of the war. With over 180 photographs accompanied by captions and text, this work presents a glimpse of one of the most well-known and notorious military organisations of the Second World War.

The John Hinde Butlins photographs are a glorious moment in the story of British photography. In the late 1960s and early 1970s, the John Hinde Studio, based in Dublin, produced a series of postcards to be sold at Butlins holiday camps throughout the British Isles. Famous for their hi-de-hi catchphrase, redcoat hosts, and bargain packages with all entertainment included, this was Butlins heyday. Throughout the 1970s, over a million Britons had a holiday at Butlins each year. With innovative use of colour and elaborate staging (the trademarks of a John Hinde postcard), it was the challenging job of two German (Elmar Ludwig and Edmund Nägele) and one British photographer (David Noble) to execute the photographs to Hindes rigorous formula and standards. Each photograph is elaborately stage managed, with often large casts of real holidaymakers acting their allocated roles in these narrative tableaux of the Butlins quiet lounges, ballrooms and Beachomber bars. Shot with large format cameras, and lit like a film set, the production of these photographs were an extraordinary undertaking. The images helped John Hinde become one of the most successful postcard publishers in the world. Most of the John Hinde Butlins photographs have only ever been published as postcards. The book and exhibition photographs are reproduced from the original large format Ektachromes. They prove to be some of the strongest images of their era.

Robert F. Kennedy's assassination in 1968 seemed like it should be an open-and-shut case. Many people crowded in the small room at Los Angeles's famed Ambassador Hotel that fateful night and saw Sirhan Sirhan pull the trigger. Sirhan was also convicted of the crime and still languishes in jail with a life sentence. However, conspiracy theorists have jumped on inconsistencies in the eyewitness testimony and alleged anomalies in the forensic evidence to suggest that Sirhan was only one shooter in a larger conspiracy, a patsy for the real killers, or even a hypnotized assassin who did not know what he was doing (a popular plot in Cold War-era fiction, such as The Manchurian Candidate). Mel Ayton profiles Sirhan and presents a wealth of evidence about his fanatical Palestinian nationalism and his hatred for RFK that motivated the killing. Ayton unearths neglected eyewitness accounts and overlooked forensic evidence and examines Sirhan's extensive personal notebooks. He revisits the trial proceedings and convincingly shows Sirhan was in fact the lone assassin whose politically motivated act was a forerunner of present-day terrorism. The Forgotten Terrorist is the definitive book on the assassination that rocked the nation during the turbulent summer of 1968.

Yuji Itadori is resolved to save the world from cursed demons, but he soon learns that the best way to do it is to slowly lose his humanity and become one himself! In a world where cursed spirits feed on unsuspecting humans, fragments of the legendary and feared demon Ryomen Sukuna were lost and scattered about. Should any demon consume Sukuna's body parts, the power they gain could destroy the world as we know it. Fortunately, there exists a mysterious school of Jujutsu Sorcerers who exist to protect the precarious existence of the living from the supernatural! While investigating a strange set of mysterious deaths, Itadori meets Junpei, a troubled kid who is often bullied at school, and they immediately hit it off. However, Junpei is also befriended by the culprit behind the bloody incidents—Mahito, a mischievous cursed spirit! Mahito sets in motion a devious plan involving Junpei, hoping to ensnare Itadori as well.

The author of Rush to Judgment investigates the 1968 assassination of presidential candidate Robert Kennedy and raises questions still unanswered by the trial of Sirhan Sirhan. Original.

This is a collection of John Hinde postcards and the messages written on them by holidaymakers between 1960s and 1980s. The text is a celebration of the Britain of yesteryear and documents the heyday of the British holiday postcard.

Yuji Itadori is resolved to save the world from cursed demons, but he soon learns that the best way to do it is to slowly lose his humanity and become one himself! In a world where cursed spirits feed on unsuspecting humans, fragments of the legendary and feared demon Ryomen Sukuna were lost and scattered about. Should any demon consume Sukuna's body parts, the power they gain could destroy the world as we know it. Fortunately, there exists a mysterious school of Jujutsu Sorcerers who exist to protect the precarious existence of the living from the supernatural! Yuji Itadori and the first-years have defeated two of the reincarnated Death Painting curses and recovered one of Sukuna's fingers. Due to their success, some have been recommended for a promotion to Grade 1. Later, the story flashes back in time to when Satoru Gojo and the nefarious Suguru Geto were second-year students at Jujutsu High! What went wrong back then that led Geto astray?

Yuji Itadori is resolved to save the world from cursed demons, but he soon learns that the best way to do it is to slowly lose his humanity and become one himself! In a world where cursed spirits feed on unsuspecting humans, fragments of the legendary and feared demon Ryomen Sukuna were lost and scattered about. Should any demon consume Sukuna's body parts, the power they gain could destroy the world as we know it. Fortunately, there exists a mysterious school of Jujutsu Sorcerers who exist to protect the precarious existence of the living from the supernatural! Satoru Gojo and Suguru Geto are assigned a mission to escort the Star Plasma Vessel to Master Tengen. However, they're ambushed by Toji Fushiguro, a mercenary known as the Sorcerer Killer. Can Gojo and Geto survive this surprise attack? And will this be the turning point where Gojo becomes the strongest exorcist while Geto embraces ruin and rebellion?
