unstuck with a quick Google search. Where you likely need help, however--especially if you're new to tablets--is becoming acquainted with all the wonderful features and abilities of your Nexus 7. Learn these things and you can start wielding your tablet like a pro. It's safe to say that most Nexus 7 owners never manage to tap into even half the capabilities of their tablets, and if all you're doing with your Nexus is playing a few games and checking email you're missing out in a huge way. The Nexus 7 Guide was written specifically for first-time tablet owners and non-techies. This book will enable you to take full advantage of your Nexus 7 and unlock its remarkable assortment of abilities. And, best of all, you'll find the book to be a quick and entertaining read that you can blast through in just one evening. Now that you've invested \$199 in your Nexus 7, why not throw in another \$10 and two hours of your time so you can really
