One of the issues to emerge at CTA's value chains conference, "Making the Connection", held last November, was the importance of devoting greater efforts to promoting national and regional markets in ACP countries. Governments, development partners and even the private sector have been overly focussed on selling to developed country export markets, which are highly competitive and restrictive. Six of the world's ten fastest growing economies over the last decade are in Africa and, as wealth has increased, food import bills have been skyrocketing. If farmers are to benefit from opportunities presented by the growing food demand from urban populations, marketing channels between rural areas and cities must be significantly improved.

When Addie Baum's 22-year old granddaughter asks her about her childhood, Addie realises the moment has come to relive the full history that shaped her. Addie Baum was a Boston Girl, born in 1900 to immigrant Jewish parents who lived a very modest life. But Addie's intelligence and curiosity propelled her to a more modern path. Addie wanted to finish high school and to go to college. She wanted a career, to find true love. She wanted to escape the confines of her family. And she did. Told against the backdrop of World War I, and written with the same immense emotional impact that has made Diamant's previous novels bestsellers, *The Boston Girl* is a moving portrait of one woman's complicated life in the early 20th Century, and a window into the lives of all women seeking to understand the world around them.

David Crystal's classic *English as a Global Language* considers the history, present status and future of the English language, focusing on its role as the leading international language. English has been deemed the most 'successful' language ever, with 1500 million speakers internationally, presenting a difficult task to those who wish to investigate it in its entirety. However, Crystal explores the subject in a measured but engaging way, always backing up observations with facts and figures. Written in a detailed and fascinating manner, this is a book written by an expert both for specialists in the subject and for general readers interested in the English language.

First published in 1948, *Cry, the Beloved Country* stands as the single most important novel in twentieth century South African literature. A work of searing beauty, it is the deeply moving story of the Zulu pastor Stephen Kumalo and his son Absalom, set against the background of a land and a people riven by racial injustice. Remarkable for its contemporaneity, unforgettable for character and incident, *Cry, the Beloved Country* is a classic work of love and hope, courage and endurance, born of the dignity of man.

Subdued oil prices prompted a trimmed federal budget for 2016 as the UAE, like other countries in the region, tightened its belt in response to falling hydrocarbons revenues. However, a sustained focus on economic diversification and targeted investment in Abu Dhabi's key non-oil sectors in recent years means the emirate is well positioned to weather the storm. Looking forward, plans for future development are mapped out in Abu Dhabi Economic Vision 2030, a comprehensive economic policy document that aims to reduce dependence on oil and gas, thereby creating a more sustainable knowledge-based economy for the emirate and its inhabitants. Aided by hydrocarbons reserves that are among the world's largest and substantial financial resources, Abu Dhabi has built up a strong foundation to become a regional leader and an increasingly important global player in a wide variety of sectors, including oil and gas, financial services, health care, aviation and renewable energy.

The Custom of the Country tells the story of Undine Spragg, a Midwestern girl who attempts to ascend in New York City society. The Spraggs, a family of midwesterners from the city of Apex who have made money through somewhat shady financial dealings, arrive in New York City at the prompting of their beautiful, ambitious, but socially-naive daughter, Undine. She marries Ralph Marvell, a would-be poet and member of an old New York family that has social status but no longer enjoys significant wealth. Before her wedding, Undine encounters an acquaintance from Apex named Elmer Moffatt. Undine, who had a relationship with Moffatt that might prove embarrassing to her, begs him not to do anything that will endanger her wedding to Ralph. Although Ralph dotes on Undine, his finances do not permit the extravagant lifestyle Undine desires, and Undine begins an affair with the nouveau riche Peter Van Degen, who is married to Ralph's cousin, Clare. She then divorces Ralph in the hope of marrying Peter, but this does not work out. As a divorcee, Undine loses her high position in society, and spends her next years living in North Dakota, New York, and Paris, scheming to scramble up the social ladder again.
