Wahlen/Jones/Pagach's INTERMEDIATE ACCOUNTING, 2E addresses student confidence in the Intermediate Accounting course like no other product on the market. The second edition includes resources that help students understand the rigor and time requirements of the Intermediate course before that first exam, while additional resources such as in-text Got it? quick checks keep students on track, building confidence with detailed remediation and thorough explanations that build a pathway to success. All of this is accomplished without sacrificing the book's approachable writing style that uses recognizable, familiar companies such as an ongoing Starbucks case, and examples from familiar companies, such as Coca Cola, Louis Vuitton, and Nestle. This edition presents the latest information on the new Revenue Recognition Standards. After carefully considering the most effective methods for covering this topic, the authors have incorporated updates throughout the book with special spotlight coverage in Chapter 17. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The College Instructor's Guide to Writing Test Items: Measuring Student Learning addresses the need for direct and clear guidance on item writing for assessing broad ranges of content in many fields. By focusing on multiple-choice response items, this book provides college instructors the tools to understand, develop, and use assessment activities in classrooms in a way that consistently supports learning. Including dozens of example items and additional resources to support the item development process, this volume is unique in its practical-focus, and is essential reading for instructors and soon-to-be educators, professional development specialists, and higher education researchers. As teaching, assessment, and learning are inherently intertwined, The College Instructor's Guide to Writing Test Items both facilitates the development of instructors' own practice and improves the learning outcomes and success of students.

Shackleton is a practical reference guide on conducting meetings for legal professionals, company secretaries, administrators, directors, local authorities, etc. The title is required by private and public companies and government departments who need to be aware of the change in the rules that should be adhered to when conducting a meeting. It provides a clear explanation of the law with precedents and case material.

The examining team reviewed P6 Study Text covers all the relevant ACCA P6 syllabus topics. It explores tax planning and ethics to help you begin applying the knowledge that you have gained to the type of questions you will find in the exam. The question and answer bank will also help you develop your application skills. The included questions are aimed to prepare you for the examination standard questions you will find in BPP Learning Media's Practice & Revision Kit.
