INTRODUCTION Hajj, the fifth pillar of Islam, brings together Muslims of all races and creed to adopt two unidentifiable white pieces of cloth in an awesome demonstration of Islam's total disregard of insignificant issues like race, social position and nationality. Annually, several million people make the pilgrimage to Makkah from every corner of the globe, providing a unique opportunity of those different nations to meet one another, making it the largest gathering in the world. It is a clear-cut act of worship, but also it is symbolic and represents the spirit's return to its place of origin. Hajj is an essential duty (fardh) for all Muslims, who are physically and financially able to perform it. Allah Ta'ala has prescribed certain rites that a pilgrim should uphold for his pilgrimage to be correct. The primary condition is intention (niyyah), while the others will be mentioned in their places. The meaning of the pilgrimage (Hajj meaning effort) is to leave all worldly activities aside and go forth to meet Allah Ta'ala. The purpose of Hajj is to develop consciousness of Allah Ta'ala and also spiritual upliftment. It is also an opportunity to atone sins collected throughout life. Prophet Muhammad [PBUH] had said that a person who performs Hajj properly "will return as (sinless as) a newly born baby. Due to the usual practice of Umrah being performed before the Hajj, it was deemed appropriate that this publication starts with Umrah. The first part of this book deals with the procedures of Umrah. It clearly outlines the entire procedure of how Umrah should be performed, explaining each part of Umrah individually and giving a breakdown of which actions are necessary and which one's are Sunnah and virtuous. Thereafter the rites of Hajj are described in full in the same clear distinctive manner. Starting from the explanation of the three types of Hajj and how they differ. The "Hajj at a glance" diagram has been specially made to assist the Hajji in simplifying the procedure further.

Dr Khalid's Hajj & Umrah Guide is an in-depth explanation and walkthrough to the fifth pillar of Islam. It is easy to use and understand and may serve as a reference for the pilgrim on his / her journey. The guide includes: - Important information before the Hajj - The Ihraam - How to perform Hajj and Umrah - Madeenah - Supplications - Tips for things to take with you There are up-to-date pictures from the journey to help the prospective pilgrim identify locations and sights as well as illustrations to better explain the rites and actions one must perform at different places and times of the Hajj.

The authors have drawn on their own experience of living in Saudi Arabia for 23 years to write A Guide for Hajj and 'Umrah. It is an enlightening spiritual and practical guide for the sacred journeys of Hajj and Umrah. It's a guided tour through a number of very meaningful emotional and religious experiences. But it's also so much more... It is a journey of self-discovery as well as the discovery of Islam. It's a primer on Islamic practices that will undoubtedly intrigue and captivate both Muslim and Non Muslim audiences through engaging story-telling. The text itself is well written and simple, getting straight to the heart of the matter of proper religious observance and practice on what may rightly be called the pilgrimage of a lifetime... The photographs displayed near the end of the book are astounding and original, especially for readers from Non Muslim countries, who have in all probability never before seen such sights as the spellbinding, pure-as-snow brightness of Masjid-Nabawi at night, or the sober splendor of the Prophet's Mosque. Interspersed with the practical maps, tips and guides that all pilgrims will appreciate are the most beautiful and heartfelt invocations and prayers to Allah, the Most Powerful and Compassionate, as well as a thrilling narration of Islam's early history and lore. Particularly moving and evocative is the beautifully retold beginning of sa'ee, "the struggle" as an act of absolute trust in Allah, as displayed by a desperate and lonely Hajar. Especially touching and profound is the authors recommendation to work hard on understanding the du'as recited as a pilgrim, instead of "simply carrying pamphlets and reciting them in blind fashion without understanding their meaning." Such a warning is a necessity, as casualness might well impair the sincerity of the appeal, which should come straight from the pilgrim's heart. In short, this book is truly the perfect companion for a deeply spiritual and personal pilgrimage to the heart of Islam."

This book aims to help prepare travellers for both their trip to Saudi Arabia and the sacred Pilgrimage itself. The rites of Hajj and Umrah are clearly explained, and relevant prayers and supplications are provided in both Arabic and English. A final chapter is provided detailing a visit to Madinah.

Hajj is one of the five pillars of Islam. The yearly flood of pilgrims from the remotest places of Islam has been a remarkable means of spiritual renewal for distant communities, which are thus brought closer to the manifest center of Islam. Historically, the pilgrimage has been a means of knitting together the many races and nations that make the Muslim community, and there is no other event on earth that can compare with it.

TYPE OF HAJJ There are three ways of performing the Hajj Haj at-Tamatt'u (Interrupted) This means entering into Ahram for the Umrah and then taking it off after performing the Umrah, and then entering into Ahram again for the Hajj People who come from other countries usually perform Haj at-Tamatt'u.
