The T203 isn't in there but the almost identical T202 is and rated fairly well (8th out of 25 for folding models). That bodes well for this one I think. I'd say if you're under 5'9" and under 200lbs the T202 would be a great fit and for less, the most significant difference is the 55" deck -vs- the 60" on the T203, and a year less warranty on parts.
