Everythings better with a fuzzy friend!

When the speediest family in the world finds a sweet, slow sloth on their doorstep, they take him in. But, little do they know, their new pet has quite a bit to teach them. For Amy's family, there simply aren't enough hours in the day to get everything done. Mom rushes through her work. Dad rushes through his chores. Even little Amy rushes through dinner. But Sloth does things slowly. He likes to take long, leisurely baths with lots and lots of bubbles. He plays drawn-out, imaginative games. He eats his food slowly, enjoying one small bite at a time. After a few weeks of caring for their new pet, Amy's family finds that they actually do have enough time to tell one another stories or go for long walks together after dinner—so long as they stop rushing around so much. *The Sloth Who Slowed Us Down* is a celebration of slowing down and remembering the important things in life.

The ingenious author of *17 Things I'm Not Allowed to Do Anymore* and a brilliant illustrator and production designer of the *Coraline* movie have created a hilarious, touching picture book perfect for young animal lovers. Like the Caldecott Medal-winning *Officer Buckle and Gloria*, *Sparky* stars a pet who has more to offer than meets the eye. When our narrator orders a sloth through the mail, the creature that arrives isn't good at tricks or hide-and-seek . . . or much of anything. Still, there's something about *Sparky* that is irresistible. Winner of the Charlotte Zolotow Award

Cozy up with adorable baby sloths in this irresistible photographic picture book. Hang around just like a sloth and get to know the delightful residents of the Avarios Sloth Sanctuary in Costa Rica, the world's largest sloth orphanage. You'll fall in love with bad-boy Mateo, ooh and ahh over baby Biscuit, and want to wrap your arms around champion cuddle buddy Ubu! From British filmmaker and sloth expert Lucy Cooke comes a hilarious, heart-melting photographic picture book starring the laziest—and one of the cutest—animals on the planet.

Sundown is near, and it's almost time for the Seder to begin-- but where is Pippa's special Passover plate? Pippa the Mouse has been working hard all day-- cleaning her house, setting the table, cooking the meal. Everything looks great-- but her special Seder plate is missing! Searching through her tiny house turns up nothing, so Pippa ventures out to ask her neighbors if they can help. Bravely, she asks the other animals for help, but the snake, owl, and cat haven't seen her plate, either. But it's almost time for the Seder to begin, so she keeps looking-- and when she finds it, she invites all the other animals home to join her celebration. A charming story with a happy ending, Pippa's Passover Plate pairs simple, rhyming text with bright paintings by Jill Weber, illustrator of *The Story of Passover* and *The Story of Esther*. In bravely

facing her animal neighbors, this adorable little mouse finds not only her missing Seder plate-- but new friends. Filled with rhymes and repetition, this is a perfect title to share and read aloud, just in time for your own Passover festivities. A final spread with Pippa and her guests getting ready to hide the matzo and celebrate also shows the Passover plate with its six essential symbolic items: zeroah (a roasted bone), beitzah,(an egg), maror and charoset (bitter herbs), chazeret (mortar or paste), and karpas (a spring vegetable).

Tatiana Stone has worked hard to establish herself as one of Sector Four's most skilled crafters. All she wants is peace--but the sins of her father haunt her. He ruled the sector as a petty tyrant before the O'Kane takeover, and plenty of people harbor bitter memories of his cruelty. Especially now that Tatiana's beloved baby sister has fallen in with a man who wants to start a revolution. Zan failed his boss once, and it won't happen again. So when Dallas O'Kane asks him to defuse the rebellion brewing in the sector, he'll do whatever it takes to get the job done--including seduce Tatiana. It's the perfect opportunity to get closer to the pretty crafter and complete his mission. But what he discovers is a fiery, passionate woman--and an affair that could destroy them both.
