Human Trafficking in Indian Country – Federal Bar Association

Human Trafficking in India. Although illegal under Indian law, human trafficking remains a significant problem in this country – and women and girls pay the highest price. According to estimates, human trafficking in India may affect between 20 and 65 million people. Women and girls are trafficked within the country for the purposes of commercial sexual exploitation and forced marriage, especially in those areas where the sex ratio is highly skewed in favour of men.
