Internet Addiction
Internet addiction,
also known as

Online Library Internet

Problematic internet use, is becoming increasingly recognized as a mental health concern.

Therapy for Internet Addiction, Internet Addiction

Internet addiction is when a person has a compulsive need to spend a great deal of

Online Library

Internet

time on the Internet, to the point where other areas of life (such as relationships, work or health) are allowed to suffer. The person becomes dependent on using the Internet and needs to spend more and more time online to achieve the same 'high'.
