We know this because it's a long-standing convention in formal diplomatic interpreting that each side brings its own interpreter, usually of its own nationality. This has advantages: * Confidence and confidentiality: each side feels it can trust its interpreter to work in its best interest and not divulge confidential information

Diplomatic interpreting - SlideShare

Diplomatic interpreters: part of history in the making. A number of personalities stand out in the history of diplomatic interpretation. One such individual who is no longer with us interpreted for several French presidents during diplomatic talks with Germany. He used to say, “ I am a non-entity ” and “ a good interpreter is a necessary evil. ”

Interpreters as Diplomats: A Diplomatic History of the ...

Diplomatic interpreting is carried out in a variety of situations, including official visits, press conferences, formal or informal interviews, working lunches or gala dinners, after-dinner speeches, working meetings, and so on. The interpreters mainly provide consecutive or whispered interpretation, and only rarely simultaneous interpretation. As a general rule they only interpret the words of their own delegation, since the other party has its own interpreter.

The release of the 2020 Defence Strategic Update marks an important milestone in Australia ' s strategic thinking. As Prime Minister Scott Morrison noted, we are facing one of the most challenging set of strategic circumstances since the 1930s.. The 1930s was characterised by a deep economic shock in the form of the Great Depression and an inwards and isolationist turn by the major powers of ...
