The 1995 Open Champion and legendary wild man of golf recalls the best and worst of his life: his inspirational play on both US and European tours; the demons that afflicted him on the course and his addiction to gambling and drink; and the trashed hotel rooms and spectacular marital problems.

Ever since his astonishing victory in the 1991 PGA Championship, John Daly, known affectionately on the PGA Tour as "Big "Un," has enthralled fans with his big drives, bigger personality, and "Grip It and Rip It" approach to golf -- and to life. Long John, usually seen with a Marlboro Light dangling from his lip, is the unchained, unpredictable, unapogetic bad boy of professional golf. "The only rules I follow," JD likes to say, "are the Rules of Golf." Daly's play-it-as-it-lays approach drives My Life in and out of the Rough, a thrillingly -- and sometimes shockingly -- candid memoir of a larger-than-life athlete battling assorted addictions (alcohol, gambling, chocolate, sex), his weight, and, perhaps worst of all, divorce lawyers. (He's been married four times.) A two-time major winner before he turned thirty, John Daly is one of the most popular athletes in the world. Taking readers with him off the fairway and into his \$1.5-million motor home for a rollicking ride through his life -- an ever-churning world of booze, burgers, casinos, country music, and breathtaking moonshots -- Daly reveals how a down-home Everyman from Arkansas managed to rise to the peak of the golf world, escape from the depths of abject depression, and, finally, take control of his life. Well, sort of.

Sherrie Daly, the former wife of PGA tour superstar John Daly, takes a swing at the controversial man they call " Wild Thing " in this jaw-dropping memoir about what really goes on behind the scenes of professional golf. Golf ' s wholesome reputation is not what it used to be, thanks to Tiger Woods. But Woods ' s bad boy scorecard doesn ' t even compare to that of the sport ' s original player: John Daly. Sherrie Daly should know. She was married to him for nine years. It ' s no secret that John, one of the PGA tour ' s most popular stars, is known for his erratic behavior and on-the-edge lifestyle as much as for his powerful, grip-it-and-rip-it style on the green. But the never-ending carousel of free-flowing cash, booze, and women seduces many of the sport ' s big-time swingers. In this juicy tell-all, Sherrie takes readers into the clubhouse to expose the seedy side of the gentleman ' s game. She dishes on John ' s out-of-control antics throughout their marriage, many of which she helped cover up to protect his career, and his self-destructive addictions to whiskey, sex, and gambling, which led him to lose one of his biggest purses ever—nearly one million dollars—in an hour. She writes candidly about the physical and emotional abuse she endured and why she continued to play the role of golf wife despite the trashed hotel rooms, wrecked homes, and demolished cars. Then she turns the tables on herself, sharing the truth behind her catfights with his girlfriends, her legal troubles, and especially the night John alleged she attacked him with a steak knife. Behind the polite clapping, collared shirts, and hushed voices, golf is just like any other professional sport, with groupies, party-crazed athletes, and blatant infidelity. After years in the exclusive players ' wives club, Sherrie Daly is Teed Off and ready to rip the game ' s well-groomed faade to shreds.

The 1995 Open Champion and legendary wild man of golf, John Daly, recalls the best and worst of his life: his inspirational play on both US and European tours, the demons that afflicted him on the course and his addiction to gambling and drink, and the trashed hotel rooms and spectacular marital problems.

The chronicle of the ups and downs of the amazing world of John Daly, now brought up to date to include all the latest details of Daly's career and family adventures - including the long-awaited comeback of the natural-born golfer with the 'killer swing', and the arrest of his ex-wife for drug-smuggling.

A profile of controversial professional golf player John Daly describes his off-the-green personal life, including his disadvantaged youth, fight with alcoholism, multiple marriages, and disturbing rages.

If you know anything at all about John Daly—and if you don’t, what in the hell are you doing with this book in your hands!—you know he approaches the game of golf from an, uh, slightly different perspective than your average two-time major winner. How different? Well, for starters, Long John thinks the PGA Tour ought to permit Bermuda shorts, make carts mandatory, let him wear his hair down to his butt if he wants to, and strip-search tournament patrons at the entrance gate to keep cameras and cell phones off the course. In Golf My Own Damn Way, you’ll take a virtual ride on Big John’s magic bus as he tells you the best way to grip it so you can rip it. Looking for a sure cure to bunkerphobia? It’s here. A one-hour golf lesson that’s 100 percent guaranteed to make you a better golfer? Ditto. Want to know why you should occasionally leave your big dog in your trunk, how to watch your weight, and what golf and sex have in common? You came to the right book. And while he’s busy explaining all these and many other things, Daly also tells you why you should keep your head out of the game, let your belly lead your hands, listen to your right foot, check your ball position—and buy a hybrid (the club, not the car). Following in the spike prints of his 2006 bestselling autobiography, My Life In and Out of the Rough, Golf My Own Damn Way is an off-the-wall and intensely personal yet imminently practical and accessible tip sheet on how to cut ten strokes off your score—now. Two things are certain: you’ve never seen a golf instructional book quite like this one, and you’ll never need another one. Fairways and greens, Pard!

The funniest and most popular sportswriter in America abandons his desk to caddy for some of the world ' s most famous golfers—and some celebrity duffers—with hilarious results in this New York Times bestseller. Who knows a golfer best? Who ' s with them every minute of every round, hears their muttering, knows whether they cheat? Their caddies, of course. So sportswriter Rick Reilly figured that he could learn a lot about the players and their game by caddying, even though he had absolutely no idea how to do it. Amazingly, some of the best golfers in the world—including Jack Nicklaus, David Duval, Tom Lehman, John Daly, Jill McGill of the LPGA tour, and Casey Martin—agreed to let Reilly carry their bags at actual PGA and LPGA Tour events. To round out his portrait of the golfing life, Reilly also persuaded Deepak Chopra and Donald Trump to take him on as a caddy, accompanied the four highest-rolling golf hustlers in Las Vegas around the course, and carried the bag for a blind golfer. Between his hilarious descriptions of his own ineptitude as a caddy and his insight into what makes the greats of golf so great, Reilly ' s wicked wit and an expert ' s eye provide readers with the next best thing to a great round of golf.

"The best-ever account of life on the PGA tour" (Golf Magazine). John Feinstein's bestselling classic is a must-read for anyone who loves the game of golf. Traveling with the golfers on the PGA Tour, Feinstein gets inside the heads of the game's greatest players as well as its struggling wannabes. Meet superstars like Nick Price, who nailed a fifty-foot putt at the seventeenth to win the British Open, and Paul Azinger, who marked his return from a bout with cancer with an emotional appearance at the Buick Open. Go behind the scenes for Davis Love III's unforgettable come-from-behind victory in the Ryder Cup. In golf, Feinstein eloquently relates, the line that separates triumph from disappointment is incredibly fine. "One week you've discovered the secret to the game; the next week you never want to play it again."

A STORY OF FRIENDSHIP, BETRAYAL, LOVE, AND SACRIFICE. In May 1975, thirty-year-old, Father John Delaney, receives notice of his transferal to Kildavnet, a small town in Northern Ireland. His function, according to the Bishop, is to assist the elderly Father Michael Cusack. Father Delaney's desire to maintain the peace between the Catholics and Protestants, during a time of conflict, is compromised by a personal struggle with his own conscience. Before long he becomes the focus of attention of Inspector Michael Prendergast, a dedicated member of the Anti-Terrorist Unit, who must decide whether Father Delaney is a man of virtue, or a person with a dark side to his character.
