You may even hear yourself say, "I can do this " as you start responding to the everyday opportunities Jesus is placing in your path.

If you had a ladder made of splinters, would you stand on it? Unfortunately, the mission practices of most churches stand on weak foundations. Life on Mission gives gospel-centered, biblical, practical foundations for how missions was meant to be: an everyone-together effort. Life on Mission is a thorough yet simple guide for everyday missionaries--electricians, lawyers, church planters, students, etc.--that equips them with truths and practices for living out the gospel within their own community. Adaptable to any context, Life on Mission functions great as both an individual and small-group study. Threaded with engaging stories and probing reflection questions, Life on Mission will help you and your community take bold steps to living life on mission.

Sometimes we get so caught up in the power of Jesus shouting from the cross, "It is finished!" that we forget that Jesus started something too. Uncovering the inner dynamics of Jesus's work with the disciples, veteran church planter Steve Addison reminds us that Christianity is a movement with a unique design for expansion.

This book goes right to the heart-the heart of the missional problem-and offers a powerful solution. God's Sending is a call to join Him in something beyond self, beyond a congregation, and beyond a denomination. God is calling us to much more. His Great Sending is His heartbeat for the world that He wants beating in and through you. Readers will learn to re-arrange their understanding of Scripture and life around God's Mission...no longer arranging God's Mission around their self-centered lives. Each chapter in this collection of writings from renowned authors connects God's heart to your own through a deep dive into Scripture. The Great Sending will begin new conversations in the church around the Great Sending (Missio Dei) and lead laity, congregations, and pastors to let God change the direction of local churches that are collapsing under protectionism and self-preservation. The Great Sending is about opening up to God's heart for the world. Let this book challenge you and call you to see God's Mission and move your life to join God in the Mission.

The way Jesus disciples people is simple and results in unschooled, ordinary followers participating in the mission of the Father and discipling others to do the same. Joining Jesus--Show Me How will help you regain the clarity and simplicity of how Jesus disciples people in the gospels so that you can disciple your children, friends, neighbors or fellow church members to get up, follow Jesus and join him on his mission, too.

Whether the issue of the day on Twitter, Facebook, or cable news is our sexuality, political divides, or the perceived conflict between faith and science, todays media pushes each one of us into a frustrating clash between two opposing sides. Polarizing, us-against-them discussions divide us and distract us from thinking clearly and communicating lovingly with others. Scott Sauls, like many of us, is weary of the bickering and is seeking a way of truth and beauty through the conflicts. Jesus Outside the Lines presents Jesus as this way. Scott shows us how the words and actions of Jesus reveal a response that does not perpetuate the destructive fray. Jesus offers us a way forward away from harshness, caricatures, and stereotypes. In Jesus Outside the Lines, you will experience a fresh perspective of Jesus, who will not (and should not) fit into the sides.

Understanding Luke's Narrative in the Book of Acts The book of Acts is unlike any other in Scripture; it has no rival in terms of a book spanning so many different lands. Written by a Gentile, it recounts the birth of the church age and the lives of early Christians that serve as lasting examples for the church today. When believers see how these events worked together to fulfill God's promises, they gain a better understanding of the Trinitarian heart of Acts. In The Mission of the Triune God, author Patrick Schreiner argues that Luke's theology stems from the order of his narrative. He shows how the major themes in Acts, including the formation of the church, salvation offered to all flesh, and the prolific spread of the gospel, connect. Through Schreiner's clear presentation and helpful graphics, readers follow the early church as it grows "all under the plan of God, centered on King Jesus, and empowered by the Spirit."

This is no ordinary missions book. The theme isn't new, but the approach is refreshing and compelling, as contributors David Platt, Louie Giglio, Michael Ramsden, Ed Stetzer, Michael Oh, David Mathis, and John Piper take up the mantle of the Great Commission and its Spirit-powered completion. From astronomy to exegesis, from apologetics to the Global South, from being missional at home to employing our resources in the global cause, Finish the Mission aims to breathe fresh missionary fire into a new generation, as together we seek to reach the unreached and engage the unengaged.

WHAT MAKES A COMMUNITY EXTRAORDINARY? When people live in community moved by the gospel and marked by the Spirit, great things happen. They commit to one another. They grieve together, sing together, eat, pray, and play together. They love, serve, honor, encourage, and provide for each other gladly. And they live on mission together. Hearts are healed, walls come down, and outsiders come in. No competition. No pretense. No vain conceit. Just full hearts breaking bread and giving freely. It is nothing short of amazing. Most of us live in a shadow of what God intended for us. Life in Community calls us into the light. Reclaiming Scripture's stunning vision of gospel-centered community, it inspires us to live in love unbounded. Read it, live it, and join the movement: Help unleash the power of extraordinary community. 6-Week group study included.

How many ways can your church's worship equip the congregation for its mission? Worship changes through the seasons, from Christmas, through Lent and Easter, and beyond. The way worship relates to your church's mission should change, too. This book explores those seasonal changes by examining both worship and mission as aspects of union with Christ. Just as we are to follow Christ through the various stages of his life and work in worship during the church year, we can follow him in our mission through these same stages of his life and work.
