Charlie Waite is one of today's most respected landscape photographers and the Landscape Photographer of the Year competition is his brainchild. Beautifully presented, this book is a stunning collection of images of the natural world from incredible image-makers, both amateur and professional. Each image is captioned with the photographer's account of the inspiration behind the picture, coupled with the technical information on equipment and technique that shaped the photograph. A hugely prestigious competition, coupled with a high-profile author and an exhibition in central London, Landscape Photographer of the Year has enjoyed huge success in its fourteen years of publication.

The Landscape Photographer of the Year competition is the brainchild of Charlie Waite, one of today's most respected landscape photographers. With AA Publishing, he created this prestigious competition and award with a total prize fund exceeding 20,000, coupled with an exhibition in London showcasing the best of the competition. The full-color book showcasing the best entries has been hugely successful in its first 10 years. Like the others before it, the 11th edition features both classic shots of verdant rural countryside and stark urban landscapes capturing the beauty and diversity of 21st century Britain.

This beautiful book celebrates the artistry of bird photography and showcases the best of the best. It accompanies an annual competition, Bird Photographer of the Year, which brings together the most outstanding examples of recent bird imagery. The Bird Photographer of the Year competition celebrates the artistry of bird photography, and this large-format book is lavishly illustrated to reflect this. A celebration of avian beauty and diversity, it is a tribute to both the dedication and passion of the photographers as well as a reflection of the quality of today's modern digital imaging systems. The book includes the winning and short-listed images from the sixth year of this annual competition, showcasing some of the finest bird photography and with a foreword by long-term birdwatcher, Bill Bailey. A proportion of the profits from the book goes directly to Birds on the Brink to support their conservation work. The advent of digital technology has revolutionised photography in recent years, and the book brings to life some of the most stunning bird photography currently on offer. It features a vast variety of photographs by hardened pros, keen amateurs and hobbyists alike, reflecting the huge diversity of bird enthusiasts and nature lovers which is so important in ensuring their conservation and survival.
